## 2022 BURGUNDY EN PRIMEUR A MAGNIFICENT VINTAGE

With most prices held – and many reductions – in today's more stable Burgundy market

### **The Style of the 2022 Wines & a Note on Prices**

There is a thrilling variety of styles in 2022, with varied potentials for early and mid-term drinking, and many great wines for laying down - as may be seen, from our descriptions in the pages that follow. Without doubt, this is an excellent vintage for both reds and whites, a leading characteristic being radiant clarity of fruit. They display the richness, ripeness and charm of a warm, sunny growing season, but also have energy, fine structures and freshness.

Crucially, good volumes were also produced in 2022, bringing a welcome stability to prices. Coming after the greatly reduced harvest that many experienced in 2021, we are delighted to have been able to hold – and also bring down – the prices of most wines across this offer.

### **The 2022 Growing Season and Harvest**

Spring came early to Burgundy vineyards in 2022, but thankfully there was virtually no frost damage in April. The flowering went through well in May, in sunny, dry weather, allowing growers to think about an early harvest. July then broke the records for sunshine, and August continued hot and dry. Fortunately, there had been plentiful rain in mid-late June, and the accumulated water reserves allowed grape maturation to proceed apace during the summer, without the blockages which are to be feared in very dry, hot summers. Young plantations suffered, but mature vineyards thrived. There was no succession of very hot nights, so balance between sugars and acidities could be maintained, while grape-skins and tannins ripened. Picking started in many villages at the end of August, and went through in excellent conditions.

## Late Release Domains

This offer features the 2022 wines from the majority of the Burgundy Domains we work with. However, there are some who will release their offer to us later in the year, at which stage we will communicate the details and our notes, including:

Domaine Raveneau, Chablis

Domaine du Cellier aux Moines, Givry

Domaine Roulot, Meursault

Domaine Jean-Marc Bouley, Volnay

Domaine Parent, Pommard

Domaine Georges Roumier, Chambolle-Musigny

Domaine J-F Mugnier, Chambolle-Musigny (for the Domaine's wines from Chambolle)

Domaine des Lambrays, Morey-Saint-Denis

## Allocations

Several of the wines in this offer are made in very small quantities and we anticipate that demand may exceed availability. To enable us to make the fairest allocations, please let us know your requests as soon as possible. For those wines where volumes are particularly limited, allocations will be confirmed by the beginning of February 2024. When making our allocations, preference will be given to loyal HH&C customers who buy a wide spread of our wines throughout the year.

## Domaine Daniel Dampt & Fils, Chablis

Daniel Dampt and his sons Vincent and Sébastien make very pure wines, with the crisply dry, long finish of signature Chablis. Oak casks are never used on their First Growths, allowing the individual characters to shine through intensely. The estate was among the first to pick in 2022, beginning on 1st September, to capture natural acidities as well as the rich sugars which had built up during the dry summer. Grapes were very healthy, giving a vintage that is charming and beautiful.

Vincent & Sébastien Dampt

### Chablis 1er Cru Les Lys

*Domaine Daniel Dampt & Fils 2022*

This is the oldest block the family owns, the vines being over 60 years old. Located within First Growth Les Vaillons, it has been made separately since 2001, when its individuality and length of flavour were first recognised. The vines are tilted towards the north, allowing good acidities to be maintained. Colour is pale golden, aromas are delicate and floral, palate is intense, rich and fresh (for drinking 2024-2027+).

12x75cl 228.00

### Chablis 1er Cru Côte de Léchet

*Domaine Daniel Dampt & Fils 2022*

Located on the hillside leading up from the village of Milly, where Daniel Dampt is based, this Premier Cru consistently gives a wine of exceptional concentration, with the Domaine's greatest ageing potential. Pale lemon-gold in colour, this shows open fruitiness with powerful, dense presence in the mouth and lingering aftertaste (for drinking 2025-2030+).

12x75cl 228.00

6x150cl 238.00

case

---

### **Chablis 1er Cru Fourchaume**

*Domaine Daniel Dampt & Fils 2022*

12x75cl 240.00

Fourchaume is to Chablis what Charmes is to Meursault - often the most ebullient, luscious First Growth, to be enjoyed while youthful. This is pale-coloured, and was bottled in July 2023 to capture its vivacity. Flavours are intense, crisp and long lasting (for drinking 2024-2028+).

### **Chablis Grand Cru Bougros**

*Maison Dampt 2022*

6x75cl 245.00

The Dampt family has been buying pressed juice from this Grand Cru vineyard since 2008. They have fine-tuned the wine-making, partly using a tank, partly oak barrels for the fermentation and ageing. To achieve richly rounded volume in the mouth, while avoiding noticeable oakiness, the juice starts fermenting in tank, then is run into barrels, then back into tank after the secondary fermentation. This was bottled in August 2023, and is bright, green-golden, with ample, fresh aromas. Palate is richly concentrated, round, complex and long (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

case

## Domaine Christian Moreau Père & Fils, Chablis

Christian Moreau and his son Fabien's estate is concentrated on the right bank of the river Serein, with terrific Grand Cru holdings, in addition to one of the region's most superb First Growths: Vaillon Cuvée Guy Moreau. These wines all come from Domaine vineyards, except for the Village Chablis, where grapes from 1.5 ha. of estate vineyard are supplemented by fruit from two other plots, from which the Moreau family has been buying for 15 years. "2022 was the hottest year we have ever seen," Fabien told us, "but the nights were fresh, there was no heat-wave, so the vines were not stressed."

Fabien Moreau

### Chablis

#### Domaine Christian Moreau Père & Fils 2022

These grapes were fermented in tank, and the wine was bottled before the 2023 harvest, to maximise its freshness. Lemon-gold in colour, this is fine and floral, with harmonious, easy-to-love, soft fruitiness and gentle length (for drinking 2024-2026+).

6x75cl 95.00

### Chablis 1er Cru Vaillon Cuvée Guy Moreau

#### Domaine Christian Moreau Père & Fils 2022

These vines were 89 years old for this vintage, the plot dating from 1933. "Planted by my grandfather," says Christian "and still in super condition. We are taking cuttings from these vines, for replanting our vineyards in the future." Bright green-golden in colour, this shows richly concentrated fruitiness on both nose and palate. There is volume in the mouth, vivacity on the finish and splendid length (for drinking 2024-2030+).

6x75cl 175.00  
3x150cl 182.00

£  
per  
case

### Chablis Grand Cru Valmur

*Domaine Christian Moreau Père & Fils 2022*

6x75cl 280.00

These vines, planted in 1963, are 60 years old. 80% of the vineyard is in the best sector of Valmur, facing south-east, with the balance facing north-westerly, bringing valuable freshness to the cuvée. Colour is green-lemon, fruitiness is generous, palate is sturdy, round and luscious (for drinking 2025-2032+).

### Chablis Grand Cru Vaudésir

*Domaine Christian Moreau Père & Fils 2022*

6x75cl 280.00

This tiny Grand Cru is un-matched for its elegance, fragrance and harmony. Planted in 1998, facing south-east, the roots of the vines have now penetrated deeply into the limestone, bringing impressive complexities. Colour is green-lemon, aromas are fine, palate is rich and silkily-textured, with pure, floral fruitiness (for drinking 2025-2033+).

### Chablis Grand Cru Blanchot

*Domaine Christian Moreau Père & Fils 2022*

6x75cl 280.00

The vines are over 30 years old, from a small plot, giving just one and a half barrels this year. It has been ageing in a glass wine globe, to retain its purity and freshness. Green-gold in colour, this is rich and open on the nose. Palate is intense, bright, fine and long (for drinking 2025-2032+).

### Chablis Grand Cru Clos

*Domaine Christian Moreau Père & Fils 2022*

6x75cl 290.00

The Domaine owns a magnificent 3 hectare plot of Les Clos, extending all the way up the hill to the trees. Many Chablis-lovers consider this the most classic, greatest Grand Cru of all. Vines are 65 years old in mid-slope, and 55 years old at the top. Green-golden in colour, this has pungent aromatics, with energetic, bright fruitiness, and harmonious, intense length (for drinking 2026-2035+).

3x150cl 297.00

1x300cl 225.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Masse Père & Fils & Famille Masse, Barizey Côte Chalonnaise

A new discovery with the 2021 vintage, this family Domaine is based in a small village over the hill from Givry. They make great-value fine wines both white and red, from the family Domaine and – as Famille Masse – from carefully-sourced, bought-in grapes and juice. Fabrice Masse has help and support from his experienced uncle Roland Masse, who was, for many years, winemaker at the Hospices de Beaune.

Fabrice Masse

### White

#### Givry Blanc Clos de la Roche

*Domaine Masse 2022*

12x75cl 199.00

Uphill from the 1st Growth Clos Jus, this is the first vineyard of the Givry territory, as one arrives from Mercurey. Lemon-gold in colour, it has clean, attractive aromas, with bright fruitiness and soft, fine length (for drinking 2024-2028+).

#### Givry Blanc 1er Cru En Choué

*Famille Masse 2022*

12x75cl 229.00

Fermented 100% in small, oak barrels, of which one third were new, these grapes come from a cousin's vineyard, in the hamlet of Russilly, between Givry and Jambles. The vines are old, facing south-east, giving a lemon-gold wine with complex, fresh aromas, rich fruitiness and creamy, fine texture (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Red

### **Givry Rouge 1er Cru En Choué**

*Famille Masse 2022*

These Pinot Noir grapes come from a 45-year-old vineyard. They were 100% de-stemmed, then held at low temperature for five days, prior to the start of fermentation, to encourage gentle extraction. The wine has aged in small barrels, of which 20% were new. En Choué is one of the last vineyards to be picked each year, as it lies on high terrain in Russilly. Colour is medium deep, ruby purple, aromas tight yet intensely fruity. Palate shows fine freshness, medium body and supple length (for drinking 2024-2028+).

12x75cl 229.00

### **Givry Rouge 1er Cru Champ Lalot**

*Domaine Masse 2022*

Similarly vinified, this wine shows deeper, purple-ruby colour and extra exuberance on the nose. The vines average 35 years of age, and have given a wine which - after ageing in one third new barrels - shows rich structure, solid fruitiness and splendid, fresh length (for drinking 2025-2029+).

12x75cl 244.00

Please note these wines are offered in bond UK (for delivery during 2024)

## Domaine Patrick Guillot, Mercurey

We have been shipping from this family Domaine in Mercurey for nearly a dozen vintages. Patrick Guillot entrusts his wines exclusively to us in the UK, and we are delighted to have them. Located in Chamirey, a hamlet of Mercurey, Guillot's first harvest was 1988, when he had three hectares in production. He and his wife have slowly doubled the size of the Domaine, where all grapes are hand-picked, and where the most conscientious attention to all aspects of viticulture and wine-making result in striking successes. This is one of our favourite sources for superb value bottles, with splendid reds and an excellent, 1st Growth white. "It was very dry here in summer 2022," said Guillot, "but the 100mm rain we had in June saved the harvest."

Patrick Guillot

## White

### Mercury Blanc 1er Cru Les Veley

*Domaine Patrick Guillot 2022*

12x75cl 207.00

A small production here, which was vinified in one new 500-litre barrel, with another which had held a previous harvest, and an older 228-litre barrel. This is pale golden in colour, rich and fresh on the nose, with splendidly ripe creaminess on the palate and good length (for drinking 2024-2028+).

## Red

### Mercury Rouge Les Chavances Vieilles Vignes

*Domaine Patrick Guillot 2022*

12x75cl 180.00

This wine comes from vines close to the Guillot home, with many dating back to 1980, 1963 and 1955. They have been cordon-pruned, to restrict their yield. The grapes were 100% de-stemmed, giving a wine of lively, bright fruitiness, well harmonised structure and gentle tannins (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Mercurey Rouge 1er Cru Clos des Montaigu**

*Domaine Patrick Guillot 2022*

This is one of Mercurey's greatest terroirs for red wine, and rightly classified a First Growth. The vineyard was carefully replanted between 1988 and 1999, so the vines are now on average 28 years old. They must have put their roots down deep, for this is superb. Colour is impressive, purple-ruby, aromas are open, ripe and fresh. "This is never aggressive," says Guillot, and we agree. The wine has elegant, super-fine fruit, with richness and balanced, long aftertaste (for drinking 2025-2032+).

12x75cl 205.00

6x150cl 215.00

### **Mercurey Rouge 1er Cru 'Les Trois Louves'**

*Domaine Patrick Guillot 2022*

A plot within Clos des Montaigu was planted in 2001 with the little-seen Pinot Noir Clone No. 943. This produces bunches where the grapes hang loose around their stems, giving a wine of exceptional fruit, and the silkiest of tannins. Only 3 barrels were made that year, fermented in a tiny tank, with Guillot's wife and their two daughters all helping - sometimes climbing inside the vat to tread the grapes. Chamirey is a tiny hamlet, whose inhabitants were known as stay-at-homes. They never ventured far afield, like wolves in their dens, whence their nick-name: "Les Loups de Chamirey." In naming this special cuvée Les Trois Louves, Patrick Guillot pays tribute to the 3 she-wolves in his family, without whom this sumptuous wine could not have seen the light of day. Once again, just 3 barrels have been made in 2022, two being new, one having held a previous vintage. The wine is very deep in colour, aromas being ripe, fresh and open. Palate is densely built, with splendid fruit concentration, mouth-coatingly gentle tannins and lovely length (for drinking 2025-2032+).

6x75cl 155.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Claudie Jobard, Demigny

Burgundian vines and wine-making are part of Claudie Jobard's DNA. Her mother Laurence was for many years the greatly-respected winemaker at Joseph Drouhin, and her family runs a nursery which multiplies vines for replanting top vineyards, throughout Burgundy.

Since 2002 Claudie has been making her own wines in Rully, and from 2011 took over responsibility for additional family vineyards, producing tiny quantities including two Pommards and a Beaune 1er Cru, Les Epenottes. 2022 is the 13th vintage we have shipped, and her wines have become favourites with all who try them. All vineyards are now cultivated organically. Montagny 1er Cru was a new offering in 2019, which we are delighted to offer again, and we are thrilled to see the re-appearance of her 1st Growth Rully Les Cloux.

Claudie Jobard

## White

### Rully Blanc En Villerange

*Domaine Claudie Jobard 2022*

This comes from a gently sloping, clay-rich vineyard on a hillside on the way to Mercurey. It faces south-east, the ideal exposure for early ripening. Drawing on the family's expertise with vines, it was planted with two, carefully-selected Chardonnay clones. 100% barrel-fermented, this was bottled (without need of fining) in August 2023, to imprison its liveliness. Colour is lemon-gold, aromas are ripe, fine and open, palate shows concentrated attack, good balance, fresh length (for drinking 2024-2028+).

12x75cl 225.00

### Montagny 1er Cru Madeleine

*Domaine Claudie Jobard 2022*

Ten barrels were made here (compared with only four, in the frost-affected 2021 vintage); the wine aged in not-new barrels and was bottled in August 2023. The vines average 35 years of age. The wine is lemon-golden, with rich, well-ripened aromas and round, creamy texture on the palate, finishing soft and generous (for drinking 2024-2028+).

12x75cl 260.00

### Rully Blanc 1er Cru Les Cloux

*Domaine Claudie Jobard 2022*

This is an east-facing, pebble-rich vineyard located near to 1st Growths Raclot and Rabourcé. It is one of the village's best sites, with vines averaging over 50 years in age. It was entirely fermented in small barrels, with limited lees-rousing during the fermentation, then bottled before the 2023 harvest. Green-golden in colour, the nose is fine yet discreet, the palate being intensely fruity, lively, long and fine (for drinking 2025-2030+).

12x75cl 315.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Red

### **Bourgogne Côte d'Or Milliane**

*Domaine Claudie Jobard 2022*

Named for Claudie's great-grandmother (Emilie-Anne) this comes partly from a plot uphill from Pommard Les Charmots, and partly from 70+ year-old vines which lie where many of Pommard's best regional Bourgognes are made: opposite the château, not far from the plane-tree-lined RN 74. It was bottled in September 2023, just before the harvest. This is rich, ruby-purple, with bright fruit on the nose and splendid structure, concentration and suppleness. All lovers of Pinot Noir may relish this wine (for drinking 2024-2028+).

12x75cl 178.00

### **Beaune 1er Cru Les Epenottes**

*Domaine Claudie Jobard 2022*

These vines (partly 50, partly 60-years-old) are planted on clay-rich soil, downhill from Beaune Clos des Mouches, near Pommard's boundary. They ripen early, and are often the first to be picked at the Domaine. Just three barrels were made this vintage, of which one was new. In colour, ruby-purple, with ample perfume and silky, beautiful fruit on the palate. Tannins are gentle; finish is fresh - this is a wine of immaculate balance and lovely potential (for drinking 2026-2034+).

6x75cl 245.00

### **Pommard 1er Cru Les Charmots**

*Domaine Claudie Jobard 2022*

There are many short rows of vines here, so all vineyard work has to be done by hand, horse, or with a mini-caterpillar. The vines are over 100 years old, and any which die are replaced with shoots grafted from existing vines in the plot, to maintain character and individuality. This wine has ruby colour of medium depth, with fine, well-ripened aromas. Palate is densely fruity, structure is rich without being massive, acidity and tannins are gentle and well-integrated, length and potential are impressive (for drinking 2027-2035+).

6x75cl 265.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Françoise & Denis Clair, Santenay

The late Denis Clair made the reputation of this Domaine thanks to his formidable red wine-making skills. The arrival of his talented son Jean-Baptiste, with his commitment to take the whites up to the level of the reds, has meant that the Domaine has also now become pre-eminent for its range of Saint-Aubins. Jean-Baptiste compares his red 2022s to his excellent, finely balanced 2019s, saying that the 2022s do not have the more pronounced, sunny richness of the 2020s (which were more concentrated by drought in August).

Jean-Baptiste Clair

## White

### Bourgogne Hautes Côtes de Beaune Blanc

*Domaine Françoise & Denis Clair 2022*

12x75cl 195.00

This comes from vines at the southern end of the Côte de Beaune, near Dezize-lès-Maranges. Green-lemon in colour, it is fresh and lively, with well-ripened fruit and attractive, fresh length (for drinking 2024-2026+).

### Santenay Blanc

*Domaine Françoise & Denis Clair 2022*

12x75cl 240.00

These vines were planted on mid-slope land now deemed more appropriate for Chardonnay than Pinot Noir (which had previously been grown here). Colour is lemon-golden, aromas are delicately exotic, recalling fresh peaches, palate is full, rich and bright, with fresh length (for early drinking 2024-2027+).

### Saint-Aubin 1er Cru Les Frionnes

*Domaine Françoise & Denis Clair 2022*

12x75cl 336.00

This is an outstanding First Growth Saint Aubin, which has been vinified and aged 100% in small oak barrels. The wine is assembled 1/3 from the Perrières part of the vineyard, where the vines are 70-80 years old, with 2/3 from the Frionnes sector (average age 25 years). Pale lemon in colour, it has scented, floral aromas, with intense liveliness on the palate. Vivacity is its hallmark, allied to supple fruitiness (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Saint-Aubin 1er Cru Les Murgers des Dents de Chien

*Domaine Françoise & Denis Clair 2022*

A “murger” is a pile of stones that a vigneron creates when clearing a patch of land in order to plant it. This is a strenuous task, made more disagreeable when the stones are as sharp as dog’s teeth, like here. This is one of the top Premier Cru sites, lying close to the Montrachet hillside. It is thanks to conscientious work on sites such as this, by the Clair family and other growers, that Saint-Aubin has progressed so much in recent years. One very old vine-block, aged 80 years, has other rows beside it, aged 20 and 35 years. All benefit from excellent exposure to the sun, gentle breezes and free-draining soils. Lemon-gold in colour, this is spicy and fresh, with volume in the mouth allied to fruit intensity, the finish being complex and lively (for drinking 2025-2030+).

12x75cl 435.00

6x150cl 465.00

### Saint-Aubin 1er Cru En Remilly

*Domaine Françoise & Denis Clair 2022*

Jean-Baptiste Clair tells the story: “My father bought this part of the hillside at auction in 1994 – when it was thorn-trees, box-bushes, pebbles and scrubland. It was a good idea – land was not so expensive as it is today. He planted it in 1996, the first harvest being 1999.” It is less than 1/5 of a hectare, on a south-west facing slope, and gave four barrels in 2022. Colour is lemon-gold, aromas are pungent and fine, palate is rich, complete, fine and long-lasting (for drinking 2025-2030+).

12x75cl 435.00

### Puligny-Montrachet 1er Cru La Garenne

*Domaine Françoise & Denis Clair 2022*

We cannot get enough of these delicious white Burgundies grown high on the First Growth hillsides between Meursault and Puligny-Montrachet. Bunches come to perfect ripeness, while acidities can be retained, as grapes do not get over-ripened or scorched (as may happen further down towards the foot of the slopes). This wine comes from the top limit of the Garenne vineyard, near the trees, where breezes kept the bunches cool during moments of high heat during 2022. Colour is lemon-gold, nose is discreet, fine and delicate. Palate is silkily-textured, showing pure fruitiness and lovely, rounded length (for drinking 2025-2030+).

6x75cl 375.00

## Red

### Bourgogne Hautes Côtes de Beaune Rouge

*Domaine Françoise & Denis Clair 2022*

This is a great value Burgundian Pinot Noir, made from a blend of grapes from two areas – 35% from above Saint-Aubin, the balance from near the little-known First Growth called Les Maranges, to the south of Santenay. The vines are really fine Pinots, producing small berries with thick skins – and half the plantings are old vines. Rich, deep purple in colour, this shows pure, ripe Pinot Noir aromas, powerful fruitiness and supple finish (for drinking 2024-2026).

12x75cl 165.00

24x37.5cl 195.00

6x150cl 190.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Santenay Clos Genet

*Domaine Françoise & Denis Clair 2022*

This is not a First Growth, but represents Santenay's appealing fruitiness at a reasonable price, with engaging stylishness. It is consistently a success, and time has shown it ages well. The vines lie up-slope from the Clair domaine buildings, downhill from First Growth La Maladière. Colour is intense ruby-purple, with spicy, fresh aromatics on the nose. There is dense, tight fruitiness on the palate. This needs a year or two in bottle to soften and emerge into smoothness (for drinking 2025-2028+).

12x75cl 252.00

6x150cl 267.00

### Santenay 1er Cru Clos de la Comme

*Domaine Françoise & Denis Clair 2022*

This vineyard touches the Chassagne-Montrachet First Growth Morgeot, which lies just across the commune border to its north. Although the vines are young, the quality of Pinots chosen for planting, allied to the exceptional nature of the site, results in a wine of great beauty and elegance. Deep ruby-purple in colour, this shows ebullient fruitiness on nose and palate, with vibrant length and a soft finish (for drinking 2025-2030+).

12x75cl 318.00

### Santenay 1er Cru Clos de Tavannes

*Domaine Françoise & Denis Clair 2022*

Two-thirds of this vineyard is planted with very old vines (aged 60 years or more), the balance with vines aged 35+. This is once again the most richly structured wine in the Clair cellar - more backward than Clos de la Comme. The wine is ageing in small barrels, of which less than 15% were new. Colour is impressively deep, aromas are ripe and roasted, palate is richly structured, densely fruity and complex, with wrap-around tannins and excellent length (for drinking 2026-2035+).

12x75cl 345.00

6x150cl 360.00

## Domaine Blain-Gagnard, Chassagne-Montrachet

With vineyards on many of Chassagne-Montrachet's greatest, most famous hillsides, Jean-Marc and Claudine Blain's domaine is one of Burgundy's finest white wine estates. In addition, their reds are consistently stand-outs for delicious, fairly-priced red Burgundy.

Minimal intervention is key to the Blain-Gagnard wine-making style. New oak barrels are used imperceptibly – being subtly spread amongst the different cuvées so that oakiness is never noticed. White wines are consistently bottled after no more than 11- or 12-months' barrel-ageing, ensuring that maximum freshness is retained. The finished wines have purity, with impressive fruit richness and harmonious length, while accurately evoking their origins.

The range of wines has narrowed here, as their son Marc-Antoin Blain has taken over cultivation and wine-making for several plots (see page 19).

Jean-Marc Blain

## White

### Puligny-Montrachet

#### *Domaine Blain-Gagnard 2022*

This comes from vines which are 60 years old, situated at the heart of the slope, just beneath Premier Cru Les Pucelles. The vines lie beside a path up which Puligny's cows used to climb (La Rue aux Vaches) on their way to pasture on the plateau above the woods. The soils are quite different to those in Chassagne – blacker, more humus-rich and marly. Pale, green-lemon in colour, with aromas which are fine and fresh, this shows delicate balance between fruit intensity, silky texture and fresh length (for drinking 2024-2028+).

6x75cl 245.00  
3x150cl 255.00

### Chassagne-Montrachet 1er Cru Caillerets

#### *Domaine Blain-Gagnard 2022*

This vineyard is situated at the heart of the slope, just south of the village. Blain-Gagnard's holdings are in two plots, running from the bottom to the top of the site, giving an intricate wine of great complexity. Partly the soils are white, with many pebbles; higher up, they are marly, with fossil shells. Pale lemon-green in colour, this shows powerful freshness on the nose. The body is richly structured, tensely wrought and fine, with many flavours swirling round the finish (for drinking 2025-2032+).

6x75cl 345.00  
3x150cl 355.00

### Bâtard-Montrachet Grand Cru

*Domaine Blain-Gagnard 2022*

6x75cl 1150.00

This Bâtard-Montrachet is superbly built, with powerful, dense fruitiness, dancing length and appetising aftertaste. It is evidently a wine which will require at least 2-3 years' bottle-age to deliver on its promises, combining luscious texture with powerful freshness (for drinking 2026-2035+).

### Le Montrachet Grand Cru

*Domaine Blain-Gagnard 2022*

1x75cl 480.00

"Le Montrachet, when it is youthful, is always rather restrained, never explosive," Jean-Marc Blain likes to say. A single barrel of this was made, vinified and aged in one-year-old oak. Whilst undoubtedly powerful, this is less massive than the Bâtard-Montrachet. Colour is pale, lemon-gold, aromas are delicate, fine and open. Jean-Marc Blain describes his wine as "discreet but present". We must go further: the palate is magnificent, with broad flavours, velvety texture, superb length and magnificent potential (for drinking 2028-2040+).

## Red

### Bourgogne Passetoutgrain

*Domaine Blain-Gagnard 2022*

12x75cl 135.00

There is a delicious, red fruits character to this Bourgogne Passetoutgrain, which was made from old vines Gamay, grown on land downhill from Volnay, with approximately 20% Pinot Noir in the blend. Colour is red-purple of medium depth, the nose showing clean, ripe fruit. The wine fell bright in its barrel naturally, so was bottled without fining or filtration. The palate is bright and lively, apt for early drinking (for drinking 2024-2026+).

### Chassagne-Montrachet Rouge 1er Cru Clos Saint Jean

*Domaine Blain-Gagnard 2022*

12x75cl 395.00

This site, uphill from the village, is equally renowned for its reds and whites. The Pinot Noir grapes were 100% de-stemmed, as is always the case with the reds here. Colour is ruby-purple of medium depth, aromas are fine and fresh. Palate shows good structure with medium weight, impressive silkiness and harmonious, gently lingering aftertaste (for drinking 2025-2030).

### Volnay 1er Cru Champans

*Domaine Blain-Gagnard 2022*

12x75cl 525.00

Champans is one of the most perfectly situated First Growths of Volnay, and we consistently love and follow this wine from Blain-Gagnard. Careful wine-making, with little or no punching-down and restrained pumping-over of the juice, has again resulted in a wine of medium deep-ruby purple colour, and admirably fresh fruitiness. Palate is bright and lively, with impressive middle density and softly elegant aftertaste. This offers great value for a First Growth Volnay (for drinking 2025-2032+).

Please note these wines are offered in bond UK (for delivery during 2024)

## Domaine Marc-Antonin Blain, Chassagne-Montrachet

Marc-Antonin's Domaine goes from strength to strength. After wine studies in Beaune, he worked vintages at Giaconda and Cullen in Australia, then Carrick in New Zealand. He now makes wines from vineyards previously tended by his late grandfather, Jacques Gagnard-Delagrangre as well as several which have just come across to him from his Blain-Gagnard parents. Marc-Antonin's cellar is colder than that of his parents, and his wines - both white and red - spend extra months in barrel, and also in tank before bottling, so their complexities are different. He is one of the most modest, but also talented, members of the emerging generation of Burgundy growers.

Marc-Antonin Blain

### White

#### Chassagne-Montrachet Blanc

*Domaine Marc-Antonin Blain 2022*

6x75cl 195.00

These grapes come from two plots which lie south of the village. 40% is from Les Voillenots, which has deep, clay-rich soil, and was planted in 1976 by Marc-Antonin's grandfather. 60% comes from Les Masures, downhill from 1st Growth Champ Gain, on limestone-rich soils which bring minerality and freshness. Green-golden in colour, with nose and palate which are fine and open, this is rich-bodied, full-flavoured and crisply long (for drinking 2024-2028+).

#### Chassagne-Montrachet Blanc 1er Cru Clos Saint Jean

*Domaine Marc-Antonin Blain 2022*

6x75cl 294.00

This vineyard has many small pebbles, on deep, clay-limestone soils giving a style of Chassagne that is fleshy rather than steely. Four barrels were made, the wine being green-golden in colour, with lemony, freshly rich aromas, very appetising. Palate is precise, richly built, lacy and long (for drinking 2024-2030+).

#### Chassagne-Montrachet Blanc 1er Cru Morgeot

*Domaine Marc-Antonin Blain 2022*

6x75cl 315.00

Morgeot is Chassagne's largest 1st Growth, with several interesting sub-sections. This wine comes from a plot named Champ Jendreau, lying beneath La Boudriotte. Just three barrels were made, the wine being bright, green-golden in colour, with lively, freshly ripe aromas. Palate shows roundness, with full structure, deep flavours, intense fruit and fine length (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Chassagne-Montrachet Blanc 1er Cru Boudriotte

*Domaine Marc-Antonin Blain 2022*

6x75cl 330.00

La Boudriotte usually benefits from several years' bottle-age to bloom and show its full potential. The vines are in long rows, planted on three soils - white clay at the top, limestone in the middle, with darker clay below. They gave 8 barrels this year, the wine being pale, green-golden in colour, with fine fragrance. Palate shows individuality, with intense fruit, rich middle and admirable, fresh length (for drinking 2026-2035+).

### Criots-Bâtard-Montrachet Grand Cru

*Domaine Marc-Antonin Blain 2022*

6x75cl 1275.00

This comes from vines with an average age of 60 years, the oldest being over 100. Just two barrels were made. The wine is green-golden in colour, with aromas which are fresh and complex. Palate is creamy, rich and sumptuous, with vivacious, expressive length of great beauty (for drinking 2025-2035+).

### Bâtard-Montrachet Grand Cru

*Domaine Marc-Antonin Blain 2022*

6x75cl 1275.00

This comes entirely from the Chassagne-Montrachet sector of Bâtard-Montrachet, from vines which lie just across the road from Le Montrachet. It is one of the choicest spots for Bâtard, with many small pebbles, and less clay than in the Puligny sections, or further down the hillside. This contributes to this wine's exceptional finesse and elegance. Planted in 1983 by his late grandfather, these vines have now reached full maturity. Colour is rich, green-golden, aromas show concentrated, ripe freshness. Palate has explosive fruitiness, power and length. This is a complete and solid wine, with massive fruit concentration and luscious creaminess (for drinking 2024-2035+).

## Red

### Chassagne-Montrachet Rouge

*Domaine Marc-Antonin Blain 2022*

12x75cl 295.00

These grapes were harvested from five different plots where some of the vines are more than 40 years old. Partly, they lie downhill from Chassagne's road to Santenay, partly from La Platière, with some tiny Pinot grapes from Les Lombardes. Cordon-pruning is widely-seen, to restrict yields and help aeration of the bunches. The wine is ruby-purple of medium depth, the nose recalling cherries and raspberries. Palate shows bright fruitiness, with chewy middle and fresh, fine aftertaste (for drinking 2025-2029+).

### Chassagne-Montrachet Rouge 1er Cru Morgeot

*Domaine Marc-Antonin Blain 2022*

12x75cl 465.00

This wine comes from two First Growth plots within Morgeot: Les Brussonnes and Les Boirettes, both planted more than 85 years ago. They lie between the Abbaye de Morgeot and the Santenay commune border. These are really fine Pinots, giving small bunches with tiny, thick-skinned grapes, regularly low-yielding. Colour is bright, rich purple, aromas are flamboyant, fresh and open. The palate shows concentrated fruitiness, good structure, rich, well-rounded tannins and excellent potential for smoothness and complexity (for drinking 2026-2035+).

Please note these wines are offered in bond UK (for delivery during 2024)

## Olivier Leflaive 'Récolte du Domaine', Puligny-Montrachet

We are thrilled to be again offering these rare treasures from Patrick and Olivier Leflaive's 'Récolte du Domaine'. This is their 12th vintage from vineyards they own, which were previously part of the family's Domaine Leflaive. Franck Grux is approaching retirement, so this vintage - his 41st, as a wine-maker - is a transition year, with his chosen successor Solène Panigai having worked alongside him.

These vineyards are all either bio-dynamically or organically cultivated. With the exception of the Meursault and Chassagne-Montrachet, which were more recently replanted, the vines all date from the 1950s and 1960s. Old vines naturally give low yields, and these wines are some of the most concentrated, intense and thrillingly harmonious of all white Burgundies. There is a particular grace, depth of flavour, silky texture and astonishing length in this range that lift them to the highest quality levels we know.

Solène Panigai and Franck Grux

### Chassagne-Montrachet 1er Cru Clos Saint Marc

*Olivier Leflaive 'Récolte du Domaine' 2022*

6x75cl 540.00

These vines, located within the wider First Growth Les Vergers, were planted in 1992, and have been cultivated organically from the start. Capturing the grapes' natural, racy freshness is of paramount importance to winemaker Franck Grux, and here he has again succeeded superbly. The wine has been ageing in 25% new barrels. Colour is green-golden, aromas show fine fruitiness with spice, palate has layers of flavour, tight fruit with gentle salinity on the finish, and harmonious aftertaste (for drinking 2024-2030+).

### Meursault 1er Cru Blagny "Sous le Dos d'Ane"

*Olivier Leflaive 'Récolte du Domaine' 2022*

6x75cl 570.00

These vines lie in a sun-catching amphitheatre adjoining Meursault 1er Cru Les Perrières. When you climb the slope, you can understand why the vineyard is named "under the donkey's back," as the vines are sheltered to the north by a huge, long hummock of stones and trees which resemble the slumbering animal. In the days when these vines were part of Domaine Leflaive, the plot was planted with Pinot Noir - but it is calcareous, stony, white wine territory, so Chardonnays replaced the Pinots, from 2003. This was fermented in small oak barrels, of which 20% were new. It is golden-green in colour, with apricot and ripe peach aromas. Palate is lively, with intense bright fruitiness; very exuberant, creamy and long (for drinking 2024-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Puligny-Montrachet 1er Cru Folatières**

*Olivier Leflaive 'Récolte du Domaine' 2022*

Les Folatières is the largest First Growth in Puligny, with several sub-sections. This wine comes from one of the best situated plots, Peux-Bois, next to “en la Richarde,” planted in 1983. It lies on the same contour as the Grand Cru Chevalier-Montrachet, which is just to its south. The wine has aged in 25% new oak barrels, and shows bright, green-golden colour. Aromas are rich and mouth-watering, touched with spiciness. Palate is fine and elegant, with compact fruit. This is not powerful but shows all elements seamlessly knit together, the finish being long and beautifully balanced (for drinking 2024-2031+).

6x75cl 900.00

### **Puligny-Montrachet 1er Cru Les Pucelles**

*Olivier Leflaive 'Récolte du Domaine' 2022*

This famous Premier Cru lies across a narrow road from Grand Cru Bienvenues-Bâtard-Montrachet. The wine comes from a single plot which was planted in 1958-61, and it again epitomizes what is most astonishing and seductive about top First Growth Puligny-Montrachet. This is green-gold of medium depth, aromas being discreet but fine. Palate shows intense fruitiness, with layers of flavour from start to finish and silky texture - a wine of great purity, and striking, latent beauty (for drinking 2025-2032+).

6x75cl 990.00

### **Bâtard-Montrachet Grand Cru**

*Olivier Leflaive 'Récolte du Domaine' 2022*

This wine comes entirely from the Puligny-Montrachet side of the Grand Cru, from vines which were planted in 1962 (so now 60 years old). The parcel is perfectly positioned in the Bâtard-Montrachet “shoulder” – the plot lying between Bienvenues-Bâtard-Montrachet and Le Montrachet. As in Clos-Vougeot, so in Bâtard-Montrachet - the top section plots are the best. The wine is ageing in 25% new barrels. Colour is solid, green-golden, aromas strikingly open, fine and fresh. Palate is exceptionally silky, with exuberant fruitiness, and amazing length (for drinking 2026-2034+).

3x75cl 1400.00

### **Chevalier-Montrachet Grand Cru**

*Olivier Leflaive 'Récolte du Domaine' 2022*

These three rows of vines lie in the middle of the appellation, and were planted nearly 70 years ago, in 1953. Yet they are still – in part thanks to biodynamic cultivation, no doubt – full of youthful vigour. A special-sized cask had to be found for this, as production was tiny; just 300 litres, in a 1-year-old barrel from the Tronçais forest. Colour is pale, green-golden, aromas are pure, open and vibrantly fruity. On the palate, this is complex, with delicate texture, supple creaminess and the most elegant, well-sustained, beautiful length (for drinking 2025-2032+).

3x75cl 1830.00

Please note these wines are offered in bond UK (for delivery during 2024)

case

## Etienne Sauzet, Puligny-Montrachet

Gentle changes took place at Etienne Sauzet, when Gérard Boudot's daughter Emilie and her husband Benoît Riffault took over day-to-day activities at the domaine. Benoît grew up on his family wine domaine in Sancerre, but his boots today are 100% caked with the soils of Puligny-Montrachet. Etienne Sauzet's wines have been bio-dynamically cultivated since 2009, which has resulted in lessening yields, with aromas which are very pure and precise. The estate has organic certification, and many of the vineyards are 70 years old. "2022 was not too complicated," Benoît told us, "with not much pressure to combat vine diseases, and not too much heat. Grapes were perfectly healthy, and have given wines with fruit and balance, fairly easy to understand." This is another superb vintage here, and we warmly recommend that you let us know your wishes as soon as possible, as our allocations cover a wide range of great wines, but volumes are modest.

Benoît Riffault & Emilie Boudot

### Bourgogne Blanc

*Etienne Sauzet 2022*

6x75cl 144.00

This wine comes mainly from grapes growing on low-lying land in the commune of Puligny-Montrachet, with some from neighbouring Meursault. Racked from barrel into tank in July 2023, this now has bright golden colour, with open, ripe aromas. Palate is vivacious and fruity, with smooth texture and excellent freshness on the finish (for drinking 2024-2027+).

### Bourgogne Hautes Côtes de Beaune Blanc Jardin du Calvaire

*Etienne Sauzet 2022*

6x75cl 175.00

2015 was the first vintage of this wine, Domaine Sauzet having bought 5 hectares of land to the west of Puligny-Montrachet, near La Rochepot and Nolay, in a little valley called Le Boût du Monde. It is one of Burgundy's isolated mini-gorges, celebrated for rare birds, steep precipices and great walks. Young shoots of Chardonnay were grafted onto the lopped-off, existing vines there - to benefit from their deeply-penetrating, established roots. Pale golden in colour, this had tight aromas, when tasted in October, but the palate was rich and ripe, with fine, fresh finish (for drinking 2024-2026).

### Puligny-Montrachet

*Etienne Sauzet 2022*

6x75cl 325.00

This comes from a half-moon of twelve plots around the village, with the vines called Les Meix, just uphill from Domaine Sauzet, representing about 30% of the cuvée. Most of the blend comes from the Chassagne-Montrachet side, where deep soils give broad wines. Three plots are on the pebble-rich Meursault side. The wine is entirely barrel-fermented, with a discreet part being new. This wine brings together the best of "village level" Puligny-Montrachet, and indeed is text-book Puligny at its purest and most vibrant. Colour is pale golden, aromas open and generous. The wine shows classic fruitiness, with harmonious, silky, fresh length (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Puligny-Montrachet 1er Cru Hameau de Blagny**

*Etienne Sauzet 2022*

3x75cl 335.00

These vines lie high on the hill, near to Blagny, so benefit from cool breezes and lower summer temperatures, to ensure that precious natural acidity is retained. In a hot vintage like 2022, this plot comes into its own. Colour is richly golden, aromas fresh, ripe and complex. Palate was relatively closed when tasted in October 2023, but the fruit concentration was remarkable, with density and well-sustained follow-through (for drinking 2025-2028+).

### **Puligny-Montrachet 1er Cru Les Perrières**

*Etienne Sauzet 2022*

3x75cl 335.00

These vines grow on stony, well-drained hummocks which filter water away quickly, giving beautifully lively wines. The vineyard was planted in 1987, and we have been buying this wine ever since we first tasted it, even from young vines. It has consistently gained complexity as the roots have penetrated more deeply. Colour is lemon-gold, aromas are fine, fresh and attractive. Palate shows impressive fruit intensity, lemony flavours and bright natural acidity, with energetic aftertaste (for drinking 2025-2030+).

### **Puligny-Montrachet 1er Cru Les Referts**

*Etienne Sauzet 2022*

3x75cl 335.00

These 65-year-old vines grow in clay-rich soil downhill from Premier Cru Les Combettes, near Puligny-Montrachet's border with Meursault. The vineyard always gives intensely fruity wine, which makes a powerful impression on nose and palate, and ages well. Colour is green-golden, the nose being tight, fresh and fine. Palate is broadly-built, seemingly with both flesh and muscle (for drinking 2026-2035+).

### **Puligny-Montrachet 1er Cru Champ Canet**

*Etienne Sauzet 2022*

3x75cl 354.00

Champ Canet lies at the north of the appellation, bordering Meursault 1er Cru Les Perrières, just uphill from Puligny 1er Cru Les Combettes (see below). With 1.1 hectares of vines here, this is Sauzet's largest First Growth holding, the vines now averaging nearly 70 years of age. 50cm of deep, red clay soil over fractured mother rock encourage vine roots to go down deep. This has benefited from its time on the post-fermentation lees (composed of dead yeast-cells) to take on flavour intensity and texture. In colour it is pale golden, with complex, ripe aromas. Palate recalls golden fruits, with impressive volume in the mouth and creamy, luscious texture (for drinking 2025-2032+).

### **Puligny-Montrachet 1er Cru Les Combettes**

*Etienne Sauzet 2022*

3x75cl 395.00

Les Combettes is always on very tight allocation, with 70% of the production coming from 60+ year-old vines, whose small berries give a limited, complexly flavoured production. The balance of the vineyard is also now mature, dating from 25 years ago. The vines are planted on terraces bordering the commune boundary with Meursault, just south of that appellation's Meursault-Charmes-dessus. Colour is lemon-golden, aromas are fresh and concentrated, promising complexity. Palate shows exceptional elegance allied to power, with flavours which project harmoniously, way beyond the moment of swallowing this wine. It has marvelous potential for the greatest beauty (for drinking 2025-2035+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Corton-Charlemagne Grand Cru**

*Etienne Sauzet 2022*

1x75cl 325.00

We have been allocated a tiny number of bottles of Sauzet's precious 2022 Corton-Charlemagne. At the time of visiting, in October 2023, we did not have the opportunity to taste this wine from barrel. We have full faith in this being an outstanding example of this beautiful Grand Cru.

### **Bienvenues-Bâtard-Montrachet Grand Cru**

*Etienne Sauzet 2022*

1x75cl 495.00

These vines were planted in 1936, and are still going strong, no doubt helped by recent, on-going organic cultivation. This is white Burgundy of particular beauty – less powerful than its neighbour Bâtard-Montrachet, with exceptional richness and complexity. In colour, pale, lemon-golden, with nose being intriguingly elegant and fine. Palate is a sumptuous oval of concentrated, crisp fruitiness, without heaviness, finishing fresh and very long (for drinking 2025-2034+).

### **Bâtard-Montrachet Grand Cru**

*Etienne Sauzet 2022*

1x75cl 495.00

Sauzet's vines are located on the Puligny-Montrachet side of this Grand Cru, which straddles both Puligny and Chassagne. They lie within the Bâtard "shoulder" – that section of the vineyard between Bienvenues and Le Montrachet. Here red marls in the soil contribute intense richness, and luscious texture, such as few Bâtards can boast. Sauzet's rendition is one of the most highly sought-after, brilliant examples of the wine, and this vintage is another classic: lemon-gold in colour, freshly fine and complex on the nose. Palate shows bright, strong concentration from first impression all the way through. This is powerful yet also beautifully elegant (for drinking 2025-2035+).

### **Le Montrachet Grand Cru**

*Etienne Sauzet 2022*

1x75cl 840.00

These grapes came entirely from the Chassagne-Montrachet side of the vineyard. They are from two plots - one facing due south, one more easterly, from the heart of the Grand Cru vineyard. The grapes were acquired from one of the historic Montrachet estates with which Gérard Boudot, Benoît's father-in-law, struck an on-going deal, nearly 30 years ago. Colour is green-golden, aromas are rich, open, spicy and aromatic. Palate is powerfully built, with amazing fruit concentration, gorgeous, creamy texture and outstanding, charmingly long aftertaste (for drinking 2028-2040+).

Please note these wines are offered in bond UK (for delivery during 2024)

£

case

## Domaine Chapelle de Blagny, Blagny

These vineyards belonged to the Cistercian Abbey of Maizières, from the 12th to 18th centuries. In 1811 they were bought by an ancestor of Etienne de Brechard, the present owner. For 5 generations the family discreetly tended the vines, harvested the grapes – and sold them, until recently, to local merchants. We were the first to discover domaine-bottlings from this exciting estate, and introduce them - new to the UK - with the 2015 vintage. The property is named after a 15th century chapel, next to the winery.

The First Growth vineyards in the hamlet of Meursault-Blagny are less well-known than Meursault First Growths such as Perrières, Genevrières or Charmes, but quality-wise they are up there with the greatest. Due to global warming they are becoming more and more desirable each year, as their altitude protects them from the most torrid heat, allowing precious, natural acidities to be maintained. They lie on high, steep slopes straddling the communes of Meursault and Puligny-Montrachet. This is classic white wine land, with clay-limestone marls. Domaine Chapelle de Blagny currently cultivates 6 hectares of vines, all concentrated in this zone.

Etienne de Brechard (centre) with his team

Research is on-going here to identify the best cooper from whom to source the Domaine's new barrel purchases. The recently established artisan barrel-maker Eric Millard's output is proving superb. Oak staves are aged in the open air for three years (this is not unusual, and may be found at several cooperages) but Millard's staves are extra thick, and allowed to heat up gently for three hours over the flames which enable them to be curved. The unfinished barrel is then covered, and allowed to return to normal temperature over 24 hours. So, the toast goes deeply into the wood, and is very light, giving the subtlest results.

## White

### Bourgogne Aligoté

*Domaine Chapelle de Blagny 2022*

12x75cl 180.00

We were delighted to introduce this last year, from a vineyard which until recently was rented out. The vines are old, meagre producers, but grape quality is so high that up-rooting them and replanting was out of the question. In 2022, there are three barrels. The grapes have given a beautifully-balanced wine, with just 12.5% abv. Colour is pale, green-lemon, aromas are fresh and intense. Palate is roundly fruity, finishing crisp (for drinking 2024-2026+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Meursault 1er Cru Ravelles**

*Domaine Chapelle de Blagny 2022*

This is a tiny First Growth vineyard of only 1.2 hectares, surely one of Meursault's best-kept, First Growth secrets. Regularly one of the Domaine's last vineyards to be picked, the long, slow ripening allows complex flavours to develop, while acidity slowly falls. The vines average 60 years of age, and lie at the top of the slope, near the forest, abutting First Growth Puligny-Montrachet and Meursault vines. Very pretty green-golden in colour, this has open, attractive aromas. Palate is rich and intensely fresh, with balanced, sumptuous aftertaste (for drinking 2025-2032+).

6x75cl 320.00

### **Meursault 1er Cru Blagny, Sous le Dos d'Ane**

*Domaine Chapelle de Blagny 2022*

This vineyard is one of our favourites, from having explored the land uphill from 1st Growth Meursault-Perrières, and walked beneath the looming outcrop of rock - resembling a donkey's back - which gives it its name. The vines were planted in the 1950s. The wine is bright, green-golden in colour, with open, beautiful, floral aromas. Palate shows lean, tight fruitiness, rich middle and splendid freshness on the finish (for drinking 2025-2034+).

6x75cl 320.00

### **Meursault 1er Cru Blagny, La Pièce Sous le Bois**

*Domaine Chapelle de Blagny 2022*

This wine comes from vines which are more than 60 years old. Bunches are tiny, with small grapes. It shows exceptional concentration, with just four barrels being made in 2022. Colour is green-golden, aromas are fine, rich, fresh and complex. Palate is superb throughout - intensely fruity on the attack, with sustained, fine texture, great smoothness and length (for drinking 2025-2032+).

6x75cl 345.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Puligny-Montrachet 1er Cru Hameau de Blagny**

*Domaine Chapelle de Blagny 2022*

The family has now retrieved all the historic domaine vineyards, and so we happily again have this additional wine to propose, coming from three separate plots, with vines averaging 60 years of age. The wine reached a natural alcohol level of 12.9%, and has been ageing in small oak barrels (one third new). Green-golden in colour, this has ripely rich aromas and generous volume in the mouth. It shows plump, ripe fruitiness, with sumptuous, silky texture, finishing crisp and fresh (for drinking 2024-2032+).

6x75cl 380.00

## Red

### **Blagny Rouge 1er Cru Sous Le Dos d'Ane**

*Domaine Chapelle de Blagny 2022*

First Growth red Blagny is one of the rarest, yet finest reds of the Côte de Beaune, with uniquely soft texture. We were delighted, with the 2019, to introduce this exquisite wine for the first time, and the 2022 is again irresistible. The Pinots must be very fine, to give wine of this quality. The bunches were 100% de-stemmed before fermentation, and have given a deeply purple wine of appetisingly ripe, fine aromas. Palate is rich and also charmingly fruity, fresh and round, with soft tannins and gorgeous length (for drinking 2025-2035+).

6x75cl 265.00

Please note these wines are offered in bond UK (for delivery during 2024)

## Domaine Yvon Clerget, Volnay

2015 was the first vintage of the highly talented young winemaker Thibaud Clerget. He completed his studies at Beaune's Lycée Viticole in 2012 and then did vintages with Pinot Noir specialists in New Zealand and Oregon, and on the Côte de Nuits. His family has owned vineyards and made wine in and around Pommard and Volnay since AD 1268, Thibaud being the 28th generation.

If you have rarely encountered bottles from the Domaine, which carries his father's name, this is because since 2010 Yvon Clerget had been selling his grapes, rather than making and bottling his wines. For the 2015 vintage, Thibaud took on the family responsibilities, and all grapes were vinified at the Domaine. We were the first to discover and ship his wines to any export market. Showing his wines at our London Burgundy tasting in January 2017 marked the international launch of this newly thrilling Domaine. Today, his wines are available in 28 countries, so he has told us.

Thibaud made brilliant successes of his first vintages, and many wines sold out rapidly. We are delighted now to be offering his 8th, which is every bit as enthralling as the first seven. Quantities are limited, so please let us know your wishes as soon as possible.

Thibaud Clerget

### Bourgogne Rouge

*Domaine Yvon Clerget 2022*

The grapes come from two sites, Durot and Longbois, the latter lying between Meursault and Volnay. Grapes were 100% de-stemmed, then the wine was oak-aged, in barrels which had held 3 or 4 previous vintages, before racking into tank in October 2023. Bright ruby-purple in colour, this has aromas which are open and ripely fruity. The wine seems to jump out of the mouth, it is so fresh, bright and lively (for drinking 2024-2026+).

6x75cl 128.00

### Volnay

*Domaine Yvon Clerget 2022*

This comes from two plots – Ez Echards and Petit Gamets – which lie downhill from Les Champans. The wine was 100% de-stemmed, and ageing saw just 5% new oak. Colour is ruby-purple of medium depth, aromas are ripe and rich. Palate is densely built, with fruit purity and lift, bright aftertaste and excellent length (for drinking 2025-2030+).

6x75cl 244.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Volnay 1er Cru Carelle Sous La Chapelle

*Domaine Yvon Clerget 2022*

This Premier Cru vineyard lies at Volnay's heart, lying – as the name suggests – just below the village's chapel. Thibaud's wine comes partly from old vines, aged about 75 years old, and partly from 25-year-old vines, giving a Volnay of great purity. When we visited in autumn 2023, this had just been racked, so it was not a good moment to taste. From previous renditions, we know that this will be a wine of substantial body and velvety layers of flavour, and have confidence in it being superb (for drinking 2025-2032+).

3x75cl 210.00  
3x150cl 440.00

### Volnay 1er Cru Les Santenots

*Domaine Yvon Clerget 2022*

A part of this vineyard has been up-rooted, so a reduced quantity comes solely from the lower, clay-rich sector of Les Santenots. 20% whole clusters were retained for fermentation, with 20% being aged in new barrels. Colour is purple-red of medium depth, aromas are fragrant, open and fresh. The wine coats the mouth enticingly, with full fruit, gentle tannins and pungent length (for drinking 2025-2032+).

3x75cl 225.00  
3x150cl 470.00

### Volnay 1er Cru Clos du Verseauil (Monopole)

*Domaine Yvon Clerget 2022*

This vineyard is a Monopole, meaning it is solely owned by Thibaud's family. It lies on steeply-sloped land between First Growths Taillepieds and Bousse d'Or, in one of the village's most central and sweetest, First Growth spots. A spring flows across the vineyard, which is partly 43 years old, partly 60. Unusually, the rows of vines run from north to south, meaning that grapes are regularly shaded from sun-burn – contributing to its unusually vibrant freshness. It was 100% de-stemmed, then aged 25% in new barrels. Colour is purple-ruby of medium depth, aromas are openly ripe, fresh and complex. The wine shows broad, richly concentrated fruitiness, with gentle tannins and a delicate, long finish (for drinking 2026-2038+).

3x75cl 285.00  
3x150cl 590.00

### Volnay 1er Cru Les Caillerets

*Domaine Yvon Clerget 2022*

This comes from a very old vineyard (averaging more than 85 years of age), often giving only 2-3 grape-bunches per vine. Grapes were 100% de-stemmed, and the wine has been ageing in 50% new oak. This is ruby-purple of medium depth, aromas being bright, complex and open. The palate shows wonderfully concentrated, plump, energetic fruitiness, with harmonious, gentle tannins, and exceptional length (for drinking 2026-2040+).

3x75cl 315.00  
3x150cl 650.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Pommard 1er Cru Les Rugiens**

*Domaine Yvon Clerget 2022*

This is a Pommard Rugiens of elegance, dense fruitiness and superb length. The grapes came equally from the lower and higher sections of the vineyard. Power and richness come from the lower section, balance from the higher. 20% whole bunches went into the fermenting vat bringing spiciness and freshness, and the wine saw 20% new barrels for its ageing. This is Pommard from a Volnay-influenced grower. Colour is of medium depth, aromas rich and open. Palate shows big structure, ripeness and length, with fine acidity and the gentlest of tannins (for drinking 2027-2042+).

3x75cl 345.00

3x150cl 710.00

### **Clos Vougeot Grand Cru**

*Domaine Yvon Clerget 2022*

These vines lie in the upper part of Clos Vougeot, the Grand Maupertuis section, over the wall from Grands-Echézeaux. As in recent years, half the bunches went into the vat as whole clusters, without de-stemming, and very gentle punching down took place, with the wine then ageing in 50% new barrels. This is ruby-purple of medium depth, with aromas which spring from the glass, very bright and fresh. The wine has power, structure and fruit density, with impressive, well-rounded tannins and superb length – surely one of the greatest Grands Crus of the vintage (for drinking 2028-2050+).

3x75cl 520.00

Please note these wines are offered in bond UK (for delivery during 2024)

## Domaine Joannès Violot-Guillemard, Pommard

This estate is a little-known jewel, making wine in Pommard for 5 generations, farming organically since 1999. 6 hectares in cultivation has now grown to more than 8, thanks to a family inheritance, and Joannès has taken over prime responsibilities from his father Thierry. The latter's philosophies still drive the methods, however. Thierry used to say: "I want to keep my terroirs healthy. No yeasting, no reverse osmosis, not too many technical interventions and not too much wood, so as not to alter the taste of the wine. I love the delicacy and the elegance, the distinctive Pinot, and above all, the fun!" This is very much a family Domaine, with Thierry's wife Estelle, Joannès's mother, being hands-on throughout the vineyard year, which includes cultivating micro-organisms to vivify the composts. Joannès talks about the small changes he has introduced: "From 2019, we retained a higher proportion of whole bunches in the red wines than in the past, and I decided to rack the reds from barrel before the autumn, in preparation for bottling in November." The pursuit of harmony is constant here, in both colours.

Joannès Violot-Guillemard

## White

### Bourgogne Hautes Côtes de Beaune Blanc La Foulotte

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 144.00

High on the hill above the Pommard vineyard called La Vache, these Chardonnays have again given an appealing, freshly aromatic wine of character and purity. The vines are 40 years old. This is pale lemon in colour, with round fruitiness and vivid aftertaste (for drinking 2024-2026+).

### Beaune Blanc En Montagne Saint-Désiré

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 205.00

This vineyard also lies at the top of its slope, uphill from Beaune Clos des Mouches, with vines growing in limestone-rich, white soils which are perfectly suited to Chardonnay. Partly the vines are 10 years old, partly 40. This was bottled from its barrels (none being new) in July 2023. Pale lemon in colour, nose is closed but clean, palate being richly attractive, with opulent, round finish (for drinking 2024-2027+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Meursault Les Meix Chavaux

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 355.00

The word Meix means a house, Chavaux being a compression of chef and val, signifying “uphill from the valley”. This is where the vines lie, on gently sloping land which perfectly catches the rising sun. This wine was impossible to resist, and it is a relief again to have bottles from such a lovely Meursault vineyard, after the devastating losses of 2021, due to frost. This has matured in three 500-litre barrels, one of which was new, and was bottled in July 2023. From very old vines, it has given a pale wine with fragrant aromas and brightly rich, freshly rounded palate - already a joy (for drinking 2024-2028+).

## Red

### Bourgogne Côte d'Or Les Maisons-Dieu

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 145.00

These vines lie across the old Route Nationale 74, opposite the Château de Pommard. 60 years ago, the land was classified with the appellation Pommard, and sure enough, this is a rather special Bourgogne rouge, where 50% whole bunches have given youthful perfumes. Colour is medium-deep ruby, aromas are spicy. This is a richly fruity, soft Pinot Noir (for early drinking, 2024-2025+).

### Pommard En Brescul

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 324.00

En Brescul is a low-yielding, stony hillside plot, facing due east, situated above Pommard Pezerolles and Les Epenots. It ripens later than those First Growths, of course, but 2022's dry summer suited the plot well. Global warming is certainly helping to bring better ripeness, and so is intelligent input by the grower. For the first time, 100% whole clusters were included here “to bring extra finesse and freshness,” we were told by Joannès. “Super-gentle extractions were also key in 2022.” This Domaine is at the forefront of those demonstrating how to make Pommards of charm and softness. Tasted while still in barrel, colour is relatively pale, with the nose being strikingly perfumed. Palate has rich, initial fruitiness, a full, fragrant middle and very fine structure, finishing long and fine (for drinking 2025-2030+).

### Pommard 1er Cru Platière

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 405.00

This vineyard lies uphill from the well-known 1st Growth Les Arvelets, catching maximum sunshine from its southerly exposure. The vines are partly over 65-, partly over 25-years old, and the wine can age magnificently. 50% whole clusters went into the vat for fermentation, giving a medium deep, ruby wine of striking perfume. Palate starts rich, then follows through convincingly, finishing soft and long (for drinking 2025-2032+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Beaune 1er Cru Clos des Mouches

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 485.00

This comes from a broad swathe of 1st Growth vineyard in mid-slope, which runs up to the commune boundary with Pommard. It consistently makes one of Beaune's most structured, long-lived wines. 100% whole bunches were used here, the wine being medium-deep, ruby-purple colour and richly youthful aromas. The palate is structured and densely fruity, with excellent length (for drinking 2026-2032+).

### Pommard 1er Cru Fremiers

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 485.00

This comes from bought-in grapes, and a vineyard which leads up to the Volnay commune boundary. Joannès does the pruning, and looks after the vines during the growing season. 100% whole bunches were retained, giving a wine of medium depth of colour, richly open, pungent aromas, and superb, well-rounded, elegant fruitiness (for drinking 2026-2035+).

### Pommard 1er Cru Rugiens

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 510.00

Les Rugiens is consistently the longest-living, most complete First Growth in the village, and here we have a superb example. Colour is deep, ruby-purple, aromas are tight, yet concentrated. Palate shows broad structure, with dark-fruit concentration, rich, well-rounded tannins and impressive aftertaste (for drinking 2028-2040+).

### Corton Clos du Roi Grand Cru

*Domaine Joannès Violot-Guillemard 2022*

6x75cl 695.00

This was a new arrival at the Domaine with the 2019 vintage, and the 2022 is just as outstanding. Two barrels were made, and 100% whole clusters retained for vinification. The vineyard is seen by many as the greatest red site on the Corton hillside, so it is brilliant news that Joannès continues to have access to grapes here, from an organically-cultivated vineyard. Colour is bright ruby, aromas are pure, layered and spicy. Palate shows rich structure, superb fruitiness, great length - this is a magnificent wine for medium and long-term bottle-ageing (for drinking 2030-2045+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Agnès Paquet, Meloisey

Driving into the perched hillside village of Meloisey in the Hautes Côtes de Beaune behind Pommard, you can immediately understand why this beautiful, elevated spot can give wines that have such clarity and freshness. It is here that Agnès Paquet, a young proprietor and winemaker, created her Domaine in 2000. She started with a vineyard in Auxey-Duresses inherited from her grandparents, and we are delighted again to offer both white and red versions from those vines. In addition, we ship her delicious, great-value regional wines: Bourgogne Hautes-Côtes de Beaune in both colours, along with a new listing Bourgogne Aligoté and a single-vineyard Pommard.

Agnès Paquet

## White

### Bourgogne Aligoté "Le Clou et la Plume"

*Domaine Agnès Paquet 2022*

12x75cl 180.00

The limestone vineyard Le Clou lies in Agnès' home commune of Meloisey, with clay-rich La Plume being located in Volnay. This fermented and was aged for 10 months in 350-litre barrels, giving a pale golden wine with rich aromas and lovely, balanced fruitiness (for drinking 2024-2027+).

### Bourgogne Hautes Côtes de Beaune Blanc

*Domaine Agnès Paquet 2022*

12x75cl 218.00

This comes from two lime-rich plots, one in Meloisey, the other being a 40-year old vineyard in Bobigny, near Auxey-Duresses. Fermentation and ageing (without lees-stirring) took place partly in a traditional-sized, new barrel, partly in 450-litre, not-new barrels, and the wine was bottled in August 2023. Medium deep, lemon-gold in colour, with open fruitiness, this is rich, well-rounded and lively (for drinking 2024- 2026+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Auxey-Duresses Blanc Les Hoz

*Domaine Agnès Paquet 2022*

The soils where these vines grow are rich in limestone, giving intense fruit and liveliness. Three quarters of the cuvée comes from the 90-year-old vines which Agnès inherited from her grand-parents. The balance is from a young plantation, which recently came into production. The wine has been barrel-aged for 12 months. Pale lemon-gold in colour, this has charmingly fresh, open aromas. Palate shows intense fruitiness, with excellent freshness and length (for drinking 2024-2029+).

12x75cl 275.00

6x150cl 290.00

### Chassagne-Montrachet Les Battaudes

*Domaine Agnès Paquet 2022*

Les Battaudes lies under the Premier Cru Morgeot vineyard, with clay soils giving a style of Chassagne that has breadth and good volume. With this wine, Agnès chose to use 350 litre barrels for fermentation and ageing. "The barrel type and size really matters," she told us; "it adds the final touch to a wine, like seasoning a dish. 350 litre barrels are ideal for Les Battaudes, giving more pep and tension to this richer cuvée than a traditional 228 litre barrel does." Pale gold in colour, aromas are rich and fragrant leading to a palate that is full bodied and suavely textured. There is a line of mineral freshness from start to finish, structure being fine, the finish long (for drinking 2024-2029+).

6x75cl 225.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Red

### **Bourgogne Hautes Côtes de Beaune Rouge**

*Domaine Agnès Paquet 2022*

In 2022 this wine comes exclusively from a 40-year-old, 2-hectare vineyard in Meloisey, where 30cm of limestone-clay topsoil lies over deep limestone bedrock. 100% destemmed, it aged in a mixture of classic, 228l Burgundy barrels and larger, 500l barrels, which Agnès believes help to preserve the energy and vibrancy of this fruit-led cuvée. Colour is pale ruby, aromas being beautifully ripe and pure, recalling fresh strawberries. Full bodied and vivacious on the palate, this finishes with silkiness and lift. A delicious Pinot for early enjoyment (for drinking 2024-2026+).

12x75cl 218.00

### **Auxey-Duresses Rouge Les Hoz**

*Domaine Agnès Paquet 2022*

There are two sectors in this vineyard, half being 60 years old, the other more than 20. Limestone content in the soil gives this red Auxey vitality and delicate perfume. The grapes and stems were in excellent health, so a high proportion (40%) was fermented as whole bunches, for later blending with the other half, which had been de-stemmed – the aim being to ensure supple texture, freshness and spicy aromas. Colour is bright, purple-ruby, aromas are ripe, fresh and open. Palate shows attractive roundness from the start, leading to well-sustained mid-flavours and harmonious aftertaste (for drinking 2024-2030+).

12x75cl 275.00

6x150cl 290.00

### **Pommard Les Combes**

*Domaine Agnès Paquet 2022*

This vineyard is situated near the commune boundary with Volnay. In 2022, daily foot treading was Agnès's chosen method of extraction, enabling her to carefully control tannin levels in a vintage and wine where these could easily become too pronounced. 40% whole bunches were also used, bringing complexity and silkiness. Colour is medium-deep purple, aromas being pungently perfumed with black fruits and violet. Palate is full-bodied, having good structure, powerful middle, well-managed, ripe tannins and excellent, rounded finish (for drinking 2025-2032+).

12x75cl 435.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Boris Champy, Nantoux

In 2020 we were thrilled to introduce, for the first time in the UK, the wines of the highly talented Boris Champy, who had recently taken over running a top estate in the Hautes Côtes de Beaune. These vineyards were originally assembled and brought to prominence by Didier Montchovet, who was a pioneer of organic and biodynamic viticulture, dating back to 1984. Didier had reached retirement age, so handed over to Boris, an oenologist by training, with an impressive wine-making record. He previously worked in Libourne for the Moueix family, in Napa at Dominus estate, for a Beaune shipper, then as manager for Domaine du Clos des Lambrays, in Morey-Saint-Denis.

His main vineyards are at Nantoux, in the hills west of Pommard, with others in the adjoining commune of Bouze-lès-Beaune. Due to the higher altitude of the vines, grapes typically come to ripeness a week or so later than on the Côte de Beaune. This used to be a disadvantage, but with the hotter summers now often experienced in Burgundy, it allows precious freshness to be retained, while simultaneously natural sugars and grape-skins can be slowly brought to ripeness. He also owns some vines in Pommard, with a 1st Growth Beaune Aux Couchéras.

Boris Champy

## White

### Bourgogne Aligoté Doré Vertical Press 429

*Domaine Boris Champy 2022*

This comes from a high-altitude vineyard in Nantoux, with its mid-point being at 429 metres. The vines were planted by the visionary Didier Montchovet back in 1987, by which time his estate was certified biodynamic. A departure this year has been to separate 10% of these Aligoté grapes for vertical, hydraulic pressing. It takes much longer - 6 hours, instead of 2 - to extract the juice, but the difference is marked. This wine is pale lemon-golden, finely fragrant and strikingly full of vibrant, clean fruitiness, with a gentle, salty finish - delicious (for drinking 2024-2027+).

12x75cl 195.00

### Bourgogne Hautes Côtes de Beaune Blanc Montagne 382

*Domaine Boris Champy 2022*

This comes from a 4-hectare plot, the Montagne de Cras. The vines are at an altitude of between 360 and 400 metres (the figure 382 indicates the mid-point height of the vineyard). Beside 3 hectares of vines, one hectare of Montagne de Cras has wonderful bio-diversity: scree slopes, hedges, orchards, limestone grasslands with numerous orchids and rare trees – a haven for insects and birds. Analysis of the vineyard's soil shows 5% organic matter (where a normal reading would be 2%), and the soil is friable, not compacted. Lemon-golden in colour, this has fresh, ripe apricot aromas, with a broad, lively palate. It is full-fruited, with good length (for drinking 2024-2027+).

12x75cl 228.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## **Bourgogne Hautes Côtes de Beaune Blanc Vertical Press Montagne 382**

*Domaine Boris Champy 2022*

12x75cl 265.00

These grapes came from the same site as the previous white, Montagne de Cras 382, but here a small quantity was slowly squeezed in the vertical press. Colour is paler, lemon-gold, aromas are open and lively, palate shows tight, long-lasting intensity (for drinking 2025-2028+).

## **Red**

### **Coteaux Bourguignons Gamay Fin**

*Domaine Boris Champy 2022*

12x75cl 180.00

6x150cl 195.00

This comes from three plots of 60-70-year-old Gamay vines in the beautiful Nantoux valley. Colour is bright, medium-deep purple, aromas very pungent, fresh and open. Palate attack is intensely fruity, middle flavours are round and luscious, finish is appetising, crisp and lively (for drinking 2024-2025).

### **Bourgogne Hautes Côtes de Beaune Rouge Altitude**

*Domaine Boris Champy 2022*

12x75cl 228.00

6x150cl 243.00

This is a blend of three vineyards, Bignon, Clou and sous Laborde, here giving a medium-purple Pinot Noir of real finesse - and great value. Aromas recall fresh red fruits, palate is medium-structured, with bright fruit intensity and plump, appealing aftertaste (for drinking 2024-2027+).

### **Bourgogne Hautes Côtes de Beaune Rouge En Bignon 421**

*Domaine Boris Champy 2022*

12x75cl 258.00

This comes from a plot which is high on the hillside in the commune of Bouze-lès-Beaune (mid-point altitude: 421 metres). Its red soils are clay-rich - perfectly adapted to Pinot Noir, all grapes being hand-picked, then fermented with 60% whole bunches. It has aged in 500-litre barrels, of which 40% were new. Colour is deep, ruby-purple, aromas are bright and fresh, palate shows rich, impressive fruit intensity and good structure. This is a suave, harmonious wine with a lovely future (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Pommard En Boeuf**

*Domaine Boris Champy 2022*

As you climb up the narrow valley behind Pommard, this vineyard is to your right, facing south-west. 70% whole clusters went into the fermentation vat, and the wine has aged in 60% new barrels. This is bright red-purple of medium depth, the nose being open, rich and fresh. It is hillside Pommard, showing finesse and length, with complex, intense fruitiness and admirably soft tannins on the finish (for drinking 2026-2032+).

6x75cl 240.00

### **Beaune 1er Cru Aux Couchéras**

*Domaine Boris Champy 2022*

This excellent Beaune 1st Growth is rarely encountered, as wine from much of the site is offered by a Beaune merchant under the name of their plot Clos de la Féguine. Boris Champy's vines are on a south-east facing, steeply sloped section of the hillside. 70% whole bunches were retained for the fermentation, and this has brought marked complexity, with freshness. Colour is medium deep purple, aromas recall red and black fruits, palate is ample, rich and splendid. The wine has precise, neatly rounded tannins and lovely, smooth length (for drinking 2026-2035+).

6x75cl 260.00

## Domaine Seguin-Manuel, Beaune

Seguin-Manuel has links with Burgundy vineyards dating back to 1720. In 2004, the firm with its fine vineyard estate was bought by Thibaut Marion, a scion of the old Beaune family which used to own and manage Chanson Père & Fils. Vines and wine-making were part of Thibaut's DNA. We first tasted his wines when the firm was still based in Savigny, in a 14th century vat-house with splendid, vaulted cellars which had been built by the Abbey of Cîteaux. On the outside wall could be seen one of the Latin inscriptions for which Savigny is famous: "If my memory serves me right, there are five reasons for drinking: the arrival of a guest, present and future thirst, the quality of the wines and any other reason you like – 1772."

Thibaut's estate now covers 5 hectares, and he fine-tuned the wine-making when he moved to a new winery in Beaune. 2022 is the 12th vintage when we have made careful choices, this year finding 11 wines, from the nearly 30 appellations he makes. Thibaut's drive for increased quality and focus has again brought magnificent results. "It's my role to soften the price changes," he tells us. Indeed, it is clear that these wines are again superb value.

Thibaut Marion

## White

### Pouilly-Vinzelles Vieilles Vignes

*Domaine Seguin-Manuel 2022*

12x75cl 235.00

This is a rarely seen appellation: Vinzelles touches Fuissé and Chaintré, two of the communes which produce the famous Pouilly-Fuissé. But Vinzelles merits attention in its own right, not least with this excellent rendition. This was fermented partly in egg-shaped cement containers, partly in normal barrels, and was bottled in July 2023. Green-golden in colour, its nose is fresh and open, the palate round, soft, and already very easy to enjoy (for drinking 2024-2026+).

### Meursault Les Clous

*Domaine Seguin-Manuel 2022*

6x75cl 275.00

These 60-year-old vines lie at the top of the Meursault slope, just below the forest. 20% new oak barrels bring texture and spiciness to its natural fruit intensity. Colour is green-gold, aromas are open and spicy, palate is rich, round, fresh and creamy (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Puligny-Montrachet Les Reuchaux**

*Domaine Seguin-Manuel 2022*

Les Reuchaux lies on the Meursault side of Puligny, where the land flattens beneath 1st Growths Referts and Les Perrières, and is a great source of village wine. Pale green-lemon in colour, this has elegant, fine aromas and powerful body. Fruit intensity is rich, with a touch of firmness, finishing fresh and long (for drinking 2025-2028+).

6x75cl 295.00

### **Beaune Blanc 1er Cru Clos des Mouches**

*Domaine Seguin-Manuel 2022*

Clos des Mouches has a firm reputation as one of Beaune's best white wines, and has now earned itself a place alongside Burgundy's most famous 1st Growths. In colour this is green-golden, aromas being fresh and varied. Palate shows tight initial fruit concentration, broadening out into silky vivaciousness (for drinking 2025-2028+).

6x75cl 345.00

## Red

### **Givry 1er Cru Les Crémillons**

*Domaine Seguin-Manuel 2022*

These grapes came from the same stony plots as in 2020, when we last were able to ship it (frost wiped out the 2021). The grapes come from the hamlet of Poncey, in the southern part of Givry's appellation. The bunches were 100% de-stemmed. Colour is mid-deep, ruby-purple, aromas richly Pinot Noir, very open. Palate is round and full, with a fresh, appetising finish (for drinking 2024-2027+).

12x75cl 244.00

### **Savigny-Lès-Beaune Montchenevoy**

*Domaine Seguin-Manuel 2022*

This red-soil, pebble-rich vineyard lies uphill from the 1st Growth Aux Guettes, facing south-west - a new grape-buying contract for Thibaut Marion, and a welcome discovery for us. Colour is bright ruby, aromas are rich, ripe and fresh. Palate shows power, with dense fruitiness and good vivacity (for drinking 2025-2028+).

12x75cl 265.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Savigny-Lès-Beaune 1er Cru Les Lavières

*Domaine Seguin-Manuel 2022*

12x75cl 365.00

This was the first wine we selected from Seguin-Manuel, back in the 2010 vintage: a bottle that gave many pleasures over a decade, as it aged. Coming partly from the family's own 50-year-old vineyards, which are organically cultivated, and partly from another plot, this is again one of their finest wines from the Côte de Beaune. Colour is ruby-purple, aromas show fine fruit and spiciness. Palate is very pure, with well-sustained flavours from start to finish and balanced, lively aftertaste (for drinking 2025-2030+).

### Pommard Petits Noizons

*Domaine Seguin-Manuel 2022*

12x75cl 408.00

This is a standout bottle of the vintage, coming partly from the Domaine's old vines, partly from a sector replanted in 2013. The south-facing vines are located uphill from 1st Growths Les Arvelets and Les Charmots. One third whole clusters were included for fermentation, and the wine aged in 20% new barrels. In colour, this is ruby of medium depth, aromas being finely fruity and delicate. Palate shows admirable stuffing, with dense middle and lively, impressive length (for drinking 2025-2032+).

### Beaune 1er Cru Bressandes

*Domaine Seguin-Manuel 2022*

12x75cl 430.00

Once again, this Premier Cru Beaune is a particular success here, and we are delighted to recommend it. It comes from vines which are more than 50 years old, previously owned by Thibaut's uncle François Marion, who passed away in 2019. It takes plenty of sunshine to bring grapes from this vineyard to perfect ripeness (as seen in 2022), as the vines lie high up on Beaune's 1st Growth slope. One third whole clusters were retained for fermentation. Colour is mid-deep, ruby-purple, aromas clean and appetising, yet discreet. Palate shows intense fruitiness, with good structure, harmonious tannins and gentle aftertaste (for drinking 2025-2032+).

case

---

### **Vosne-Romanée Aux Communes**

*Domaine Seguin-Manuel 2022*

This is the tenth vintage that Thibaut Marion has owned Vosne-Romanée vines – a rare and precious addition to his estate. Having experimented with adding a proportion of whole bunches (for vintages 2013-17) he concluded that, for this vineyard, 100% de-stemming gives more freshness, volume and flesh to the wine, so this has been the policy since 2018. Colour is ruby-purple of medium depth, aromas are fine and pungent. Palate shows impressive structure, silky texture, harmonious tannins and soft, appealing aftertaste (for drinking 2025-2032+).

12x75cl 578.00

### **Corton Rognet Grand Cru**

*Domaine Seguin-Manuel 2022*

These vines are approaching 50 years of age, and have given a superb result; it is the 7th vintage running we have found it irresistible. Burgundy-lovers will relish its impressive structure and dense fruitiness. Grapes were 100% de-stemmed, and great fruit purity has been achieved. Colour is deep, ruby-purple, aromas are rich and ripe. Palate is broadly built, with splendidly ripe fruit concentration, gentle tannins and lovely length (for drinking 2027-2038+).

6x75cl 600.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per

## Domaine Pavelot, Pernand-Vergelesses

There have been Pavelots tending vines in Pernand since the 17th century, so village records tell us. Today, this 9.5-hectare estate is run by sister and brother Lise & Luc Pavelot, following in the footsteps of father Régis and grandfather Maurice. Most of their vines are in their home village of Pernand-Vergelesses, where they make magnificent First Growths, both white and red, as well as brilliant Corton-Charlemagne, not to mention cutting edge Passetoutgrains and village-level bottlings.

The Domaine has been certified organic since 2009, but no chemical weed-killers had been used for many years prior to then. The soils are tilled by plough, and manually, with occasional, green cover-crops, and green-harvesting of grapes, if necessary. Organic composts are the only fertiliser.

Siblings Luc & Lise Pavelot

Harvesting is by hand, and this is one of the few Domaines in Burgundy where the grapes are gently carried in traditional, wicker shoulder-baskets down the rows. The philosophy of the Domaine may be summed up as a constant reflection on how to ensure the health of their soils - and hence their vines and wines - with respect for the plant and human environment.

The wines have succulent fruit, with structure, freshness and the gentlest of tannins, for the reds. The whites show beautiful harmony. Both colours represent superb value, some for early drinking, some for mid-term ageing.

## White

### Pernand-Vergelesses Blanc

*Domaine Pavelot 2022*

The grapes come from several hillside plots around the village, principally Les Quartiers and La Morand, with some from Belles Filles and Sur Herbeux. The wine was 100% vinified in small oak barrels (of which less than 25% were new), and bottled in September 2023. Colour is mid-deep, lemon-gold, aromas are open, fresh and rich. Palate shows lively, bright fruit, with crisp, delicious aftertaste (for drinking 2024-2027+).

12x75cl 297.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Pernand-Verglesses Blanc 1er Cru En Caradeux**

*Domaine Pavelot 2022*

12x75cl 340.00

En Caradeux is a steep, east-facing First Growth, lying to your right, just outside the village of Pernand, as you take the road to Beaune. The Pavelot Chardonnays have now reached 14 and 15 years of age, giving intensely rounded, rich wine of great beauty. If you do not know this vineyard, we urge you to experiment - it stands comparison with many more famous plots. Bottled in September 2023, this is pale, lemon-golden, aromas being open, ripe and engaging. In taste, there is amply concentrated fruitiness, with smooth texture and soft aftertaste (for drinking 2024-2029+).

### **Pernand-Verglesses Blanc 1er Cru Sous Frétille**

*Domaine Pavelot 2022*

12x75cl 375.00

The Sous Frétille vineyard is also steeply-sloping, but in this case facing due south. The vines are above the village and its colourful church spire, visible to all who approach. Pebble-rich soils are shallow, yields never plentiful. One third of the Pavelot vines are 80 years old, with the average age of the whole plot being around 50 years. The wine aged in oak barrels for a year, and was bottled in December 2023. Colour is lemon-golden, aromas are piercingly fresh and ripe. The palate is full and broad, with creamy, fresh aftertaste, very long (for drinking 2025-2030+).

### **Corton-Charlemagne Grand Cru**

*Domaine Pavelot 2022*

6x75cl 590.00

The Pavelot domaine owns vines in 4 different sectors of this famous Grand Cru, three in Pernand-Verglesses and one in Aloxe-Corton. They hold back for estate-bottling only the produce of the finest plots. The wine was vinified, then aged for a year, in small oak barrels, just over half of which were new. Colour is rich, green-golden, nose shows fine fruit, open and fresh. This has superb intensity on the palate, with freshness and magnificent length - a great white wine, for mid-term and longer ageing (for drinking 2027-2036+).

## **Red**

### **Bourgogne Passetoutgrains**

*Domaine Pavelot 2022*

12x75cl 195.00

Normally, Bourgogne Passetoutgrains is made from two thirds Gamay grapes, with one third Pinot Noir. Here however, Luc Pavelot has reversed the proportions, and we have a 70% Pinot Noir, beautiful wine. The vines have been cultivated organically since 2019, and the grapes are now no longer sold off to local négociants. Pretty, purple-red in colour, this shows openly ripe, fruity aromas, with most attractive freshness, on the palate. Ripe, fresh and superb value (for drinking 2024-2026+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Pernand-Vergelesses Rouge**

*Domaine Pavelot 2022*

12x75cl 274.00

The grapes for this cuvée came from several vineyards which encircle Pernand: Les Bouttières, Les Noirets, Belles Filles and Les Pins. Native yeasts got fermentation under way, on grapes which had been 100% de-stemmed. Ageing took place in oak barrels, for bottling in December 2023. Colour is rich, ruby-purple, aromas are open and ripely fresh. This has beautiful fruit, allied to medium rich structure, gentle tannins and fine, silky aftertaste (for drinking 2024-2028+).

### **Pernand-Verglesses rouge 1er Cru En Caradeux**

*Domaine Pavelot 2022*

12x75cl 345.00

75% of this wine comes from vines averaging 60 years of age, from the same, steep-sloping, east-facing First Growth which is equally magnificent for Chardonnays (see page 46). 25% of the Pinot Noir grapes came from a 7-year old plot, which has brought welcome vibrancy in this hot, dry vintage. Before global warming, this site sometimes struggled to mature its Pinots, as cool air can flow past it, down the valley, which used to delay the ripening. There was no fear of that in 2022. Colour is deep, purple-ruby, aromas show superb, fresh ripeness. Palate is powerfully built, with forceful fruitiness, yet finishing with pure, fine tannins and elegant aftertaste (for drinking 2025-2035+).

### **Pernand-Vergelesses 1er Cru Ile des Vergelesses**

*Domaine Pavelot 2022*

12x75cl 404.00

The First Growth Ile des Vergelesses faces south-east, and is perfectly situated in the sweet spot at mid-slope, catching the first rays of the rising sun to start the ripening process. The vines are angled gently towards the south, ensuring good drainage and maximum sunshine throughout the day. Pavelot are the largest owners in the village of what is, for many, Pernand's greatest red vineyard. Colour is deep, ruby-purple, aromas are complex and open. Palate is sumptuous, with rich middle, and gorgeous, floral aftertaste, very fresh and long (for drinking 2026-2038+).

### **Corton Rouge Grand Cru**

*Domaine Pavelot 2022*

6x75cl 385.00

Tiny quantities of this are available, the second harvest from a vineyard of which 3/4 was recently replanted, in 2018 and 2019. The other 1/4 has very old vines, aged 60-70 years. The land is steeply sloping, with clay-rich soils which lie at the foot of Pernand's Corton-Charlemagne hillside. The Pavelot family has planted these particular slopes with Pinot Noir to give one of Corton Grand Cru's most elegant bottlings. Colour is ruby-purple of medium depth, aromas in October 2023 were cleanly fruity, yet discreet. Palate has good structure, gentle fruitiness, harmonious mid-palate and silky aftertaste (for drinking 2027-2038+).

Please note these wines are offered in bond UK (for delivery during 2024)

£

case

## Domaine Jean-Baptiste Boudier, Pernand-Vergelesses

Jean-Baptiste Boudier's training took him from Beaune's viticultural school to New Zealand and Roussillon, with 2 years oenology in Bordeaux, including 6 months at Château Haut-Brion. He doesn't believe in pre-fermentation maceration. "I prefer that fermentations start fast," he says. "For my father, colour was very important, but for me, it's not the major factor. Tannins are more important, and we adapt the extractions according to the year, and by tasting." In his avoidance of a pre-fermentation cold-soaking of his grapes, his wine-making is not Burgundian mainstream, but has been carefully thought through, from his own experiences. 2022 is another lovely vintage at the Domaine, with quality and value both outstanding.

Jean-Baptiste Boudier

### White

#### Pernand-Vergelesses Blanc

*Domaine Jean-Baptiste Boudier 2022*

Grapes from three different plots in Pernand's two side valleys (mainly Vignes Blanches and Les Pins, with 10% from Devant les Cloux) were brought together to make this cuvée, which was bottled in July 2023. Colour is golden-lemon, aromas recall ripe peaches. The palate is full and round, with lovely, fresh aftertaste (for drinking 2024-2027+).

12x75cl 325.00

#### Aloxe-Corton Blanc Les Combes

*Domaine Jean-Baptiste Boudier 2022*

Jean-Baptiste acquired these vines on his father's retirement and has been making this rare, white Aloxe-Corton since the 2018 vintage. The vines were planted in 1942, so are 80 years old. Situated downhill from Corton-Charlemagne the plot has again produced a stunningly well-balanced wine of real distinction, which aged in 20% new barrels. Colour is green-golden, aromas are bright, fresh and open. The palate has exceptional richness, fruit intensity and length (for drinking 2024-2026+).

12x75cl 495.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Red

### **Bourgogne Pinot Noir "Les Barrigards"**

*Domaine Jean-Baptiste Boudier 2022*

12x75cl 220.00

"I adore this vineyard," says Jean-Baptiste, "with its small grapes and tiny bunches of Pinot, planted 40 years ago. Yield is always small. It's my only regional wine, I'm always happy here." The vines are to be found near the village of Ladoix-Serrigny, at the foot of the Corton hill. 40% whole clusters went into this cuvée, as the grapes were perfectly healthy. The wine aged in small barrels (none were new) and was bottled in July 2023. It is purple-ruby of medium depth, with open freshness on the nose. First impression on the palate is of floral, bright fruitiness, well-sustained, with gentle tannins (for drinking 2024-2027+).

### **Pernand-Vergelesses Rouge Les Vignes Blanches**

*Domaine Jean-Baptiste Boudier 2022*

12x75cl 268.00

This comes from a single, mid-hillside plot, and was bottled in July 2023. Colour is medium deep, ruby-purple, aromas are open, rich and fragrant. There is nothing heavy about this wine. Made with a light touch, its fruitiness is perfectly in harmony with its soft, refreshing finish (for drinking 2024-2028+).

### **Savigny-Lès-Beaune**

*Domaine Jean-Baptiste Boudier 2022*

12x75cl 275.00

From the 2021 vintage, Jean-Baptiste took over the cultivation of three new Pinot Noir vineyards. This village-level Savigny-lès-Beaune, a First Growth Savigny Les Peuillets, along with a Corton Grand Cru Les Renardes (details follow, below). This village-level Savigny is a blend from vines he previously owned in Les Connardises, with grapes from land below his new First Growth, Les Peuillets. 40% whole clusters went in to the fermentation vat. Colour is mid-deep, ruby-purple, nose is fresh and open, palate shows dense fruitiness. The wine has good structure, with admirable, savoury flavours and fresh, good length (for drinking 2024-2029+).

### **Savigny-Lès-Beaune 1er Cru Les Peuillets**

*Domaine Jean-Baptiste Boudier 2022*

12x75cl 355.00

This 1st Growth is situated on the hillside adjoining 1st Growth Beaune Clos du Roi. 40% whole bunches were retained for fermentation, and the wine fell bright naturally, so neither fining nor filtration were necessary, before bottling in November 2023. Colour is ruby-purple of medium depth, aromas recall fresh black fruits. Palate has good structure, with splendid fruit intensity, gentle tannins and fine length (for drinking 2026-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Aloxe-Corton Rouge Les Combes**

*Domaine Jean-Baptiste Boudier 2022*

These vines came to Jean-Baptiste from his father for the first time in 2018. They lie downhill from Corton Grand Cru Les Combes, growing on deep, pebble-rich soils, with fine clays. At 80, these vines are the oldest in the Domaine, dating back to 1942. "Every year, systematically, this is the cuvée with the least colour" Jean-Baptiste told us. 30% whole clusters were retained for fermentation, with the wine having been bottled in October 2023. Colour is indeed pale, ruby-purple, then pungent blackberry aromas surge from the glass. The wine has structure, fleshiness and impressive, mouth-coating density on the finish (for drinking 2027-2034+).

12x75cl 370.00

### **Corton Les Renardes Grand Cru**

*Domaine Jean-Baptiste Boudier 2022*

These vines are on a steeply-sloping hillside, on the same contour as Corton Clos du Roi, and lying above Corton-Bressandes. Planted around 1963, they are hitting 60. Colour is ruby-purple of medium depth, aromas are spectacular. On the palate, this has splendid density, precise, fresh fruitiness and rich, fresh aftertaste, showing great potential for complexity and smoothness (for drinking 2028-2040+).

6x75cl 598.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

## Domaine Decelle & Fils, Comblanchien

Here, 85% of the wines come from their own Domaine, which now has 7.5 hectares in production, mainly in the northern Côte de Beaune. We championed winemaker Jean Lupatelli's work here over the 7 vintages up to 2020, and wish him well in his recent promotion, as winemaker for Domaine Comte Georges de Vogüé. The new winemaker is Thomas Emin, who worked with Lupatelli from 2018 to 2020, and has made superb successes of the 2022s. He has reduced the proportion of new oak barrels (from 30-40% down to 20%) for several cuvées, and is working closely with 3 coopers (instead of 7). He is reducing sulphur levels, and aiming to bottle more reds without fining or filtration. The policy of converting newly acquired vineyards to organic cultivation (and certification) is being continued.

Thomas Emin

### White

#### Bourgogne Hautes Côtes de Beaune Blanc Les Champlains

*Domaine Decelle & Fils 2022*

12x75cl 250.00

Those with long memories may remember that we used to ship a delicious Bourgogne blanc Les Champlains from the late, much-missed, Patrick Bize. This vineyard is alongside, on hilly land above Savigny-lès-Beaune. The vine-roots have to grapple with the limestone rocks. Colour is green, lemon-gold, aromas very fresh. Palate shows intense, bright fruitiness, with long, crisp finish; a lovely wine (for drinking 2024-2027+).

### Red

#### Bourgogne Hautes Côtes de Beaune Rouge Les Champlains

*Domaine Decelle & Fils 2022*

12x75cl 250.00

The Pinot Noir vines planted here, above Savigny, average 30 years of age, and have given a splendid wine for youthful drinking, which will certainly also gain complexity, if aged. 40% whole clusters were retained for fermentation, giving a ruby-purple wine of medium colour, with striking, blackberry aromas. Palate is very attractive, with bright, soft middle and gently tannic length (for drinking 2024-2028+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Choresy-Lès-Beaune Les Beaumonts

*Domaine Decelle & Fils 2022*

Les Beaumonts is the best site in Choresy-lès-Beaune, where these old vines, owned by the family and cultivated organically, are more than 60 years old. The soils are light clay, with sand, and have given a dark purple wine - the deepest colour in the cellar - with pungent, black fruits aromas. Palate has power, with textured, dense fruitiness, full body and splendid, creamy length (for drinking 2024-2030+).

12x75cl 295.00

### Savigny-Lès-Beaune Les Gollardes

*Domaine Decelle & Fils 2022*

These 70-year-old vines grow on a south-facing, steeply-rocky, poor-soil hillside above the village of Savigny. They give low yields of concentrated grapes. The vines always need extra days to bring their fruit to maturity, compared to lower-lying sites. But if the autumn is fine – as was the case in 2022 – the extra days complete the ripening process superbly. 20% whole clusters were included for fermentation. Colour is dark, bright purple, aromas show varied, black fruits character. First impression on the palate is of a dense wall of concentrated fruitiness, buttressed by harmonious tannins. The finish is fresh, with excellent length (for drinking 2025-2030+).

12x75cl 312.00

### Beaune 1er Cru Les Teurons

*Domaine Decelle & Fils 2022*

Les Teurons lies at the heart of the Beaune First Growths, and this plot adjoins the most famous one, Les Grèves. Partly the vines are protected, and warmed, by the side-walls of an ancient quarry, lying downhill from it, and are more than 50 years old. Just under half the bunches were retained for whole-cluster fermentation, and the wine aged in 20% new barrels. This is ruby-purple of medium depth, aromas being rich, fresh and fine. Palate starts charmingly fruity, then moves into a discreet phase, before opening out to give fresh, smooth length (for drinking 2024-2032+).

6x75cl 220.00

Please note these wines are offered in bond UK (for delivery during 2024)

## Domaine Faiveley, Nuits-Saint-Georges

Our shipments from this superb source of great Burgundies date back over 30 years, to the 1989 vintage. This is very much a family business, with François Faiveley's children, Erwan and Eve, now at the helm. Winemaker Jérôme Flous and his assistant Bastien Giraud are highly talented, and operate within a rebuilt, spacious, state-of-the-art winery in Nuits-Saint-Georges. The superb 125-hectare Domaine includes 13 different Grands Crus and 25 Premiers Crus.

Since the 2007 vintage, many carefully thought-through changes have taken place, with work in vineyards and wine-making becoming more closely integrated. They invested in gentler means of transporting grapes from sorting tables to vats, up-graded their temperature control systems, installed a new hydraulic press, and fine-tuned the barrel buying – all to great effect. Jérôme Flous has been here for more than a decade, having previously worked as technical consultant for many top Domaines. The wines have been gaining in richness, fruit density, complexity and smoothness, without sacrifice of ageing potential. The rarest and greatest often sell out fast, so please let us know your wishes as soon as possible, to avoid disappointment.

Jérôme Flous, Winemaker (left)  
Erwan Faiveley (right)

## White

### **Mercurey Blanc Clos Rochette** *Domaine Faiveley 2022*

6x75cl 138.00

Faiveley has a superb estate on the Côte Chalonnaise, and a separate, newly renovated winery in Mercurey to handle all the fruit as near to the vineyards as possible. The family is the sole proprietor of this vineyard, which vinified two-thirds in stainless steel tank, with the balance in oak barrels. The result is a Chardonnay that has precise, pure lemon fruit character allied with delicate spice and silky texture. Pale, green-lemon colour, this has lively aromas, palate being medium bodied, poised and charmingly concentrated. This is a vibrant, finely balanced wine to be enjoyed as soon as it has been shipped (for drinking 2024-2026+).

### **Puligny-Montrachet 1er Cru La Garenne** *Domaine Faiveley 2022*

6x75cl 504.00

The top whites from the Faiveley Domaine benefit from cool ageing in their dedicated white wine cellar, which has a spring running into it, ensuring a constantly refreshing atmosphere. We cannot resist selecting their La Garenne vineyard. This 1st Growth from high on the hillside between Puligny and Meursault has pale, lemon-golden colour, ample ripeness on the nose, with well-delineated, rich structure, lively mid-palate and extravagant, vivacious length (for drinking 2024-2035+).

Please note these wines are offered in bond UK (for delivery during 2024)

### Corton-Charlemagne Grand Cru

*Domaine Faiveley 2022*

Corton-Charlemagne is a large Grand Cru, with vineyards on a wide range of soils and sub-soils, facing in different directions. The Faiveley plot of old vines lies high on the hillside, above their Clos des Cortons, facing due east. The rising sun gives the ripening grapes an early advantage, then the plot's easterly exposure ensures the grapes do not over-bake. This is very pale, lemon-gold, has opulently fresh aromas, and is immediately seductive on the palate. Broadly structured, it has exceptional concentration and magnificent length - undoubtedly one of the Côte de Beaune's outstanding Grand Cru whites this vintage (for drinking 2025-2040+).

3x75cl 672.00

### Bâtard-Montrachet Grand Cru

*Domaine Faiveley 2022*

These vines were planted in 1985 and 1997, and were acquired by Faiveley in 2008. The one third hectare, sloping plot has good drainage, the ochre-coloured soil being pebble- and clay-rich. Lemon-gold in colour, with ripely spicy aromas of real beauty, this combines vivacity with super-intensity of fruit, the creamy texture extending throughout, ending with a peacock's tail of flavours. This is the Domaine's greatest white in 2022, with magnificent potential (for drinking 2025-2040+).

3x75cl 1185.00

## Red

### Mercurey Rouge 1er Cru Clos des Myglands (Monopole)

*Domaine Faiveley 2022*

This is one of Faiveley's benchmark bottlings, coming from a 6-hectare, now-mature vineyard which has been carefully tended and managed over many decades (re-plantings took place in 1982, 1975, 1974, 1971 and 1963). In character, this is always powerful, with dense fruitiness and decent structure, giving excellent ageing potential. In 2022, colour is medium ruby, aromas having lovely intensity of red berry fruits. Palate is full bodied, fleshy and deeply concentrated, finishing with freshly firm, ripe tannins (for drinking 2026-2032+).

12x75cl 336.00

### Beaune 1er Cru Clos de l'Ecu (Monopole)

*Domaine Faiveley 2022*

This is a rarely-seen First Growth Beaune which - like Clos des Myglands - is wholly owned by Faiveley, who acquired it in 2003. The vine plantings date from 1998, 1994, 1989 and 1980. They call it their Côte Rotie, as it is always one of the first to ripen; it faces due south, with gravelly, pebbly, dry soils which catch maximum sunshine. The colour is ruby of medium depth, aromas are fragrant and open, palate shows elegant fruitiness with good volume, gentle tannins and energetic, spicy aftertaste (for drinking 2026-2032+).

6x75cl 282.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Nuits-Saint-Georges 1er Cru Les Chaignots**

*Domaine Faiveley 2022*

Some of these vines date back to 1965 and 1927, lying on a perfectly-situated, mid-slope plot. Les Chaignots is one of our favourite 1st Growth Nuits, always giving a wine of powerful structure, and this 2022 is true to type. Of medium deep colour, it has aromas which are open, rich and ripe. Palate is well structured, the middle being dense, with presently burly yet rich tannins, excellent length and great potential (for drinking 2028-2040+).

6x75cl 456.00

### **Pommard 1er Cru Les Rugiens**

*Domaine Faiveley 2022*

Pommard has no Grands Crus, but if one were to be promoted, it would be this. These Faiveley vines are located in Les Rugiens Haut, and were acquired by the estate in 2007. It is believed that they were planted in 1953, with missing plants being replaced, year by year. This 2022 has been ageing in half new barrels, and half ones which have held a previous vintage. Colour is bright purple of medium depth, aromas perfumed and elegant. The wine shows dense fruit, admirable richness of structure, fine tannins and lively, beautiful length (for drinking 2028-2040+).

6x75cl 492.00

### **Chambolle-Musigny 1er Cru Les Beaux Bruns**

*Faiveley 2022*

This is the eighth vintage running that Beaux Bruns is part of our selections, these vines having given yet another outstanding result. They are held on a long lease by Faiveley, whose team does the vineyard work, as well as the grape-picking - in addition to wine-making, tending and bottling, of course. The wine is purple-ruby of medium depth, aromas being open, spicy and fine. Palate shows rich fruitiness, superb texture, round middle and excellent, fresh length (for drinking 2026-2032+).

6x75cl 516.00

### **Chambolle-Musigny 1er Cru Les Charmes**

*Faiveley 2022*

Every good vintage, the Chambolle-Musigny First Growths sell out fast. The commune is tiny, and allocations from top sources are always slim. This is one of the most highly regarded First Growths, and we cannot resist it, virtually every year. Like Beaux Bruns (above) this comes from a vineyard held on a long lease, and worked by the Faiveley team. Colour is pale, purple-ruby, aromas are fine and elegant. Palate shows exceptional charm, with well-rounded fleshiness, silky texture and marvelous length (for drinking 2027-2035+).

6x75cl 558.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Gevrey-Chambertin 1er Cru Clos des Issarts (Monopole)**

*Domaine Faiveley 2022*

Clos des Issarts is a little-known, tiny 1st Growth, just north of the high part of Grand Cru Ruchottes-Chambertin, and situated on similar contours. It is now regularly vinified separately by Faiveley, and we are thrilled to offer it again. The plot is divided into two terraces, the upper one bringing richness and power, the lower one floral notes and finesse. This 2022 is deep, ruby-purple in colour, with open aromas which are fresh and spicy. Palate is full-structured, with vibrant fruitiness, richly smooth tannins and impressive length (for drinking 2027-2035+).

6x75cl 618.00

### **Gevrey-Chambertin 1er Cru Les Cazetiers**

*Domaine Faiveley 2022*

Les Cazetiers is a perfectly positioned First Growth, which adjoins the equally iconic Premier Cru Clos Saint-Jacques. Both dominate a superb Gevrey-Chambertin hillside above the village, which just missed out on being classified Grand Cru, in the 1930s. Faiveley is now the largest owner in Les Cazetiers, and this is again one of their most thrilling wines. Colour is mid ruby, with aromas which are perfumed and complex. Palate is richly built, with impressive fruit concentration, supple, creamy texture, ripe tannins and great aftertaste (for drinking 2028-2042+).

6x75cl 636.00

### **Corton Clos des Cortons Faiveley Grand Cru (Monopole)**

*Domaine Faiveley 2022*

The Faiveley family has exclusively owned this Monopole Clos – where the vines straddle plots known as Le Rognet and Le Corton - since 1874. The vines extend from the middle of the hill up to the forest. Ten different re-juvenations and re-plantings of the vineyard date from 2019 back to 1932. Here they regularly produce one of the most complex, long-lived Cortons in existence, which may stand comparison with the grandest wines of the Côte de Nuits. Recent fine-tuning of the wine-making has resulted in softer tannins, without loss of potential longevity. The 2022 is deeply ruby-purple, with ripe, licorice-tinged aromas. Palate shows sweet fruitiness, dense texture, powerful structure and real charm on the finish, with mouth-coatingly smooth length (for drinking 2026-2040+).

3x75cl 579.00

### **Echézeaux En Orveaux Grand Cru**

*Domaine Faiveley 2022*

This vineyard lies in a fast-draining, south-facing sector of Echézeaux called En Orveaux, where the sun strikes powerfully. The vines used to suffer from water stress, giving slightly dry wines, with unyielding tannins. Now the soils are mulched, to limit evaporation, and in the winery, extraction has been fine-tuned. Never very deep in colour, this has attractive, ruby colour, with fine fruitiness, when tasted from barrel, prior to bottling. Palate is well-structured, with delicate, dense fruitiness, many-layered flavours and fine length (for drinking 2026-2036+).

3x75cl 651.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Latricières-Chambertin Grand Cru

*Domaine Faiveley 2022*

This plot was known as Petite Merveille (Little Wonder) in the Middle Ages, so we learn. Faiveley is the largest owner in Latricières-Chambertin (with over 1.2 hectares in production), and consistently makes one of the greatest examples. Ruby-purple of medium depth, it has opulent, fine aromas, with excellent structure and flesh. Flavours are well sustained, with all elements, including acidity and tannins, in perfect balance. This shows splendid length (for drinking 2027-2040+).

3x75cl 744.00

### Mazis-Chambertin Grand Cru

*Domaine Faiveley 2022*

Faiveley owns vines in both sections of this vineyard – les Mazis Hauts and Mazis Bas. For many people, this is the most complex and thrilling of the satellite Grand Crus which adjoin Chambertin and Chambertin Clos de Bèze. Winemaker Jérôme Flous has told us that Mazis-Chambertin should embody everything to be expected from a great wine in this village, and he has pulled off another great success with this 2022. Colour is ruby-purple of medium depth, aromas subtly perfumed, ripe and fresh. Palate has intense fruit, with amazing energy, powerful, rich tannins, elegant texture, gorgeous aftertaste and length (for drinking 2027-2040+).

3x75cl 744.00

### Chambertin Clos de Bèze Grand Cru

*Domaine Faiveley 2022*

Domaine Faiveley is a major owner in Chambertin Clos de Bèze, possessing 1.3 hectares, a significant proportion of the total 15.4 hectares. Re-plantings have taken place in 2018, 1983, 1966, 1955 and 1949. The family acquired these vines during the financial crises of the 1930s. There are three plots: Grands Rangs, Clos de Bèze Haut and Vieilles Vignes, which traditionally are vinified separately, then appropriately blended together. Colour of the 2022 is ruby-purple of medium depth, with aromas showing intense freshness and personality. When tasted in November, this was tight on the palate, but this is not surprising or unusual, for Clos de Bèze. The gentle tannins and strong, complex aftertaste are sure-fire indicators of its complexity, beauty and superb potential (for drinking 2030-2045+).

3x75cl 1161.00

## Domaine Georges Mugneret-Gibourg, Vosne-Romanée

A wealth of family experience, with many tiny attentions to detail, account for the exquisite results here. Gentle, non-interventionist methods are key at this Domaine. Only native yeasts are used, and wine movement is achieved by the use of compressed nitrogen or gravity, instead of mechanical pumping, whenever possible. Neither fining nor filtration are practiced, which may account for the bounce, texture, raciness and splendid length of the wines. We are fortunate to have access to all the estate's greatest wines, including the rare Nuits Saint Georges Au Bas de Combe, which comes exclusively to us, in the UK market. "London is magic," says Marie-Andrée Mugneret, and the family is happy to know that our aim is to deliver their bottles directly into the homes of UK-based Burgundy-lovers who will open and share them.

Sisters Marie-Christine & Marie-Andrée Mugneret (centre-left) with daughters Lucie, Marion & Fanny

### Bourgogne Rouge

*Domaine Georges Mugneret-Gibourg 2022*

POA

This comes from one plot of 65-70-year-old vines in the commune of Vosne-Romanée. Its harmony and beauty are accounted for by its yield being no more than that of a Grand Cru. As with almost all wines here, it was 100% de-stemmed before fermentation. Colour is ruby-purple of medium depth, aromas recall black fruits, and are open, fresh and ripe. Palate is bright and attractive, of medium weight, with lovely fruitiness and refreshing finish (for drinking 2024-2028+).

### Vosne-Romanée

*Domaine Georges Mugneret-Gibourg 2022*

POA

The grapes for this come from four plots in the village: mainly Champs Goudins, with La Croix Blanche, Les Chalandins and Pré de la Folie. Of similar, ruby-purple colour, this has lovely freshness on the nose, with lively, intense fruitiness, gentle texture and mouth-coating, smooth length (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Nuits-Saint-Georges Au Bas de Combe

*Domaine Georges Mugneret-Gibourg 2022*

POA

Re-planted around 1955, this tiny plot is the last vineyard of the Nuits appellation before arriving at Vosne-Romanée's Premier Cru Les Combes. Small production, as one may expect from a vineyard over 60 years old, and this gave just 3 barrels in 2022. It has been judiciously ageing, being moved between partly new and partly older barrels. Very bright purple in colour, it has complex, spicily ripe aromas, with impressive fruitiness, well-sustained middle fruit and lovely aftertaste (for drinking 2026-2032+).

### Vosne-Romanée La Colombière

*Domaine Georges Mugneret-Gibourg 2022*

POA

The family has been able to take back various vineyards, including this one, for cultivation by the Domaine, which had previously been looked after by a crop-sharer. The half-share of grapes at harvest time which previously went to the vigneron, in payment for his year's work, now come into the Domaine cellars. This means that a separate cuvée of Vosne-Romanée has been made, from a 50-year-old plot of land (with a few younger, infill vines) directly in front of the family's home in Vosne-Romanée, called La Colombière. Colour is ruby-purple of medium depth, aromas are smokily ripe, fresh and open. Palate is of medium weight, showing impressive fruit density and silky texture, with mouth-coating, smooth length (for drinking 2024-2030+).

### Nuits-Saint-Georges 1er Cru Les Chaignots

*Domaine Georges Mugneret-Gibourg 2022*

POA

From the northern slopes of Nuits-Saint-Georges, where the hillside runs along towards Vosne-Romanée's greatest plots, this steeply-sloped First Growth produces outstanding wines. Vines are nearly 60 years old. Prior to 2014, they were rented out to a share-cropper, who kept half the production in payment. Now the family cultivates the whole plot, and has been able to bring about cultivation improvements. The wine is one of our favourites in the cellar, and never disappoints. This is again one of the deepest coloured wines of the vintage here, with aromas which are ripe and open. The wine is in a quiet style, but there is good structure and rich body, finishing harmoniously, with refreshing, soft length (for drinking 2026-2038+).

### Chambolle-Musigny 1er Cru Les Feusselottes

*Domaine Georges Mugneret-Gibourg 2022*

POA

This First Growth lies at the heart of the village, situated directly between Les Amoureuses and Bonnes Mares, and often encapsulates Chambolle-Musigny's finesse, creamy texture and exceptional power-with-delicacy. The vines are now nearly 60 years old. This is ruby-purple of medium depth, aromas being open, fragrant and fine. Palate is vivacious, with intense fruitiness, silky texture and long, engagingly rounded aftertaste (for drinking 2025-2032+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Echézeaux Grand Cru**

*Domaine Georges Mugneret-Gibourg 2022*

POA

Here two sectors of the Echézeaux vineyard are assembled together. A quarter of the grapes come from Les Quartiers de Nuits, which lies just over the wall from Clos-Vougeot, and the balance from Les Rouges du Bas, higher on the hillside. The first plot has vines whose average age is 50 years, the second, more than 60 years. This is the only wine in the cellar where de-stemming is not 100%, and in 2022, 25% whole clusters were retained for the fermentation. This has given a wine of bright, purple-ruby colour, with openly ripe, lively aromas. There is big structure, with close-knit middle palate and a softly long, rippling aftertaste (for drinking 2026-2035+).

### **Clos Vougeot Grand Cru**

*Domaine Georges Mugneret-Gibourg 2022*

POA

The historic Clos Vougeot vineyard extends over 52 hectares, being split between more than 80 owners. The Mugneret-Gibourg rows of vines are perfectly positioned in the most desirable section – the top part – in one block, near the château. They dependably give one of the Grand Cru's greatest, most perfectly harmonious, complex examples. Colour is fine, ruby-purple, aromas are bright and rich. Palate has broad structure, concentrated, compact fruitiness with well-rounded tannins, promising flamboyant complexity and silky length (for drinking 2027-2045+).

### **Ruchottes-Chambertin Grand Cru**

*Domaine Georges Mugneret-Gibourg 2022*

POA

This comes from Les Ruchottes du Bas, a corner of vineyard next to Mazis-Chambertin. Lying high on the hillside, Ruchottes-Chambertin gives less massive wine than some of the other Gevrey-Chambertin Grands Crus, but finesse and aromatics can be outstanding. This comes partly from vines which are nearly 60 years old, partly from a plot which was re-planted in 2000, "which brings new life and vivacious energy to the blend," says Marie-Andrée. Colour is deep, rich purple, the nose being ripe and fine, yet discreet. Palate is a wonderful balance between sleek, mouth-filling fruitiness, vivaciousness with gentle tannins, and an impressively long finish (for drinking 2026-2040+).

Please note these wines are offered in bond UK (for delivery during 2024)

case

## Domaine Confuron-Gindre, Vosne-Romanée

We have been following with mounting enthusiasm the wines made by Edouard Confuron and his parents at this Domaine, and were thrilled to make our first shipments three years ago. This is very much a family affair, with 66 different plots of vines being cultivated, across nearly 11 hectares. They have lovely examples from key villages and sites on the Côte de Nuits. Substantial holdings in Vosne-Romanée allow them to separate out grapes coming from top site La Colombière, to make an individual cuvée of this wine. This complements the village-level Vosne-Romanée offering, alongside Bourgogne Pinot Noir, Nuits-Saint-Georges and Gevrey-Chambertin, with three First Growths and a Grand Cru.

François & Edouard Confuron

### Bourgogne Pinot Noir

*Domaine Confuron-Gindre 2022*

A lot of old vines, aged between 40 and 80 years, go into this cuvée. Grapes were fully de-stemmed, and the wine has aged in small barrels, none being new. Colour is ruby purple of medium depth, with the nose being open, lively and appetising. Palate has fine balance between fruit, body and freshness (for drinking 2024-2026+).

6x75cl 81.00

### Vosne-Romanée

*Domaine Confuron-Gindre 2022*

The family owns plots of vineyard across the Vosne-Romanée hillsides, and this was assembled from a dozen different sites. Colour is medium deep, ruby-purple, aromas are fresh and open. Palate shows bright, lively fruitiness, well-balanced structure and gentle aftertaste (for drinking 2025-2028+).

6x75cl 212.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Nuits-Saint-Georges

*Domaine Confuron-Gindre 2022*

This comes from three well-placed plots, Les Allots, Lavières and Herbues, all being planted with mature or old vines. The wine has clear, ruby-purple colour, with agreeable fruitiness on the nose. Palate is vibrantly fruity and freshly structured, with well-sustained middle and gentle tannins (for drinking 2025-2029+).

6x75cl 212.00

### Gevrey-Chambertin

*Domaine Confuron-Gindre 2022*

This also comes from three plots, Les Crais, Les Seuvrées and Champs Chenys, and here the vines are also old. 25% whole clusters were retained for fermentation, and this has given a purple-ruby coloured wine of medium depth, with spicy, fresh, appealing aromas. The wine has powerful presence in the mouth, with rich fruitiness and refreshing length on the finish (for drinking 2026-2030+).

6x75cl 212.00

### Vosne-Romanée La Colombière

*Domaine Confuron-Gindre 2022*

These vines lie on gently-sloping land downhill from the village, with 35% whole bunches being retained for fermentation. The soil is relatively sandy, on land which is south-facing, and well-sheltered by nearby houses. Colour is medium deep, aromas tight yet fresh. Palate shows attractive, round fruitiness, with silky texture, well-rounded tannins, finishing clean and long (for drinking 2026-2030+).

6x75cl 274.00

### Vosne-Romanée 1er Cru Les Chaumes

*Domaine Confuron-Gindre 2022*

At least one fifth of this vineyard is still planted with vines which date from 1918 and 1919 - the oldest in the Domaine. Tiny grapes come from these plants, with thick skins, and 25% whole clusters were retained for the fermentation. Colour is impressive, rich ruby-purple, aromas are generous, open and fresh. Palates shows highly concentrated fruitiness, balancing structure, good acidity and gentle, rounded tannins (for drinking 2027-2035+).

6x75cl 318.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### Vosne-Romanée 1er Cru Les Beaumonts

*Domaine Confuron-Gindre 2022*

6x75cl 318.00

This comes from an early-ripening, mid-hillside plot not far from the village, uphill from Echézeaux. Partly the vines are nearly 30 years old, partly more than 50. Just three barrels were made, and 25% whole bunches were retained, for fermentation. Colour is well-sustained, ruby-purple, aromas very fresh and open. This is concentrated, densely built from start to finish, with engaging roundness and gently tannic, impressive length (for drinking 2027-2038+).

### Vosne-Romanée 1er Cru Les Suchots

*Domaine Confuron-Gindre 2022*

6x75cl 395.00

These are family vines, planted around a century ago, with their produce only coming back into the Domaine for the first time in 2019. Low yields have given impressive concentration, and a quarter of the bunches were retained, with their stems attached, giving five barrels and a half. Colour is ruby-purple all the way to the rim, aromas are very fresh. The palate is delicately built, with intense fruitiness, lovely harmony and well-sustained aftertaste (for drinking 2028-2035+).

### Echézeaux Grand Cru

*Domaine Confuron-Gindre 2022*

6x75cl 595.00

This comes from three plots, Les Treux with 50-year-old vines, and Les Rouges du Bas for those planted 80 years ago, and more, with a recently planted sector. Four barrels and a half were made in 2022, with a quarter of the whole clusters being retained. One third new barrels were used for ageing, giving a ruby-purple colour of medium depth, with clean, ripe, upfront aromas. Palate is tightly wound, showing concentrated fruitiness, with acidity and tannins well-melded (for drinking 2028-2040+).

Please note these wines are offered in bond UK (for delivery during 2024)

case

## Domaine Edouard Confuron, Vosne-Romanée

In parallel with running the Confuron-Gindre domaine with his parents, Edouard now has just under 2 hectares of vineyard in his own name. When it comes to wine-making, he is able to depart from the well-honed family methods from time to time, picking a day or two earlier, and experimenting with different levels of extraction and fermentation lengths, for instance. The results here are incredibly exciting, and we are thrilled to launch the wines from this new Domaine onto the UK market with this 2022 vintage. Volumes are tiny, however, so we urge you to contact us early with your requests.

Edouard Confuron

### Coteaux Bourguignons

*Domaine Edouard Confuron 2022*

This wine comes from two parcels – the Gamay element of the blend is from Morey-St-Denis; the 15% Pinot Noir comes from Vosne. All grapes were destemmed, before ageing in not-new oak barrels, and bottling in Autumn 2023. Bright ruby colour, the nose is attractive and lively with red fruits. There is lovely roundness and bright, crunchy fruit on the palate, the finish being pure and freshly balanced (for drinking 2024-2025+).

6x75cl 99.00

### Bourgogne Pinot Noir

*Domaine Edouard Confuron 2022*

8 barrels of this were made, the grapes being 100% de-stemmed. It is a brightly-coloured, medium purple wine, with very fresh Pinot Noir aromas. Having pretty fruitiness on the palate, with vivacious aftertaste, this is already a gentle pleasure, while youthful (for drinking 2024-2025+).

6x75cl 117.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Nuits-Saint-Georges Aux Allots**

*Domaine Edouard Confuron 2022*

Les Allots lies downhill from 1st Growths Les Chaignots and Aux Vignerondes, in the northern sector of Nuits, where it leads to Vosne-Romanée. 30% whole clusters were retained, and a quarter of the barrels for ageing were new. The wine was held at cool temperature for two days before starting to ferment, to help colour extraction. This is ruby-purple of medium depth, with openly fragrant aromas. Palate is intense, with marked fleshiness and fine length (for drinking 2026-2030+).

6x75cl 288.00

### **Gevrey-Chambertin Les Seuvrées**

*Domaine Edouard Confuron 2022*

Les Seuvrées is the most southerly of Gevrey-Chambertin's vineyards, and lies downhill from Grand Cru Mazoyères-Chambertin. The vines are 50 years-old, and the grapes were 100% de-stemmed, with the wine then ageing in 50% new barrels. This is mid-deep, ruby-purple, with very open, fresh aromas. Palate is well-built, with concentrated fruitiness, tannins needing at least two years to soften, and powerful, fresh length (for drinking 2026-2032+).

6x75cl 288.00

### **Vosne-Romanée Le Pré de la Folie**

*Domaine Edouard Confuron 2022*

These vines lie downhill from La Colombière, near the centre of the village. Grapes were beautifully regular in size and ripeness, so 100% whole bunches were retained for fermentation. The wine was allowed to simmer gently, with only occasional, gentle punchings-down, giving a ruby-purple colour of medium depth, with freshly floral aromas. The wine fills the mouth with supple charms, combining fruit intensity with medium weight (for drinking 2025-2030+).

6x75cl 330.00

### **Vosne-Romanée Les Hautes Maizières**

*Domaine Edouard Confuron 2022*

This vineyard lies near the 1st Growth Les Suchots, whose wine is to be found in the parental domaine. 25% whole bunches were retained, and the wine has aged in 25% new barrels. It is deep, purple-ruby in colour, with complex, black fruit aromas. Palate shows splendid concentration and fleshiness, with well-rounded tannins and fine potential for smoothness after bottle-age (for drinking 2027-2035+).

6x75cl 330.00

Please note these wines are offered in bond UK (for delivery during 2024)

case

## Domaine J-F Mugnier, Chambolle-Musigny

Nuits-Saint-Georges Clos de la Maréchale has been owned solely by the Mugnier family of Chambolle-Musigny for generations, but the vineyard was let out for cultivation elsewhere, for many years. Frédéric succeeded in claiming it back in 2004: the wine has gone from strength to strength ever since.

“I like the reliable consistency of Clos de la Maréchale,” says Mugnier. “Musigny is great, Amoureuses is exciting, but Maréchale is my favourite vineyard.” On wine making, Mugnier explains: “All my wines are made in exactly the same way - fermentation, use of wood, time in barrel. Any difference must come from the place, the age of vines, the location. Each wine must be the expression of something that comes from nature.”

Concerning the 2022 vintage, Mugnier told us: “I was worried, as the vines were suffering badly from drought and heat, with berries drying in the clusters. I thought that it’s going to be awful, there’ll be nothing left, and if there is, it may be over-ripe! But a bit of rain in the second half of August changed everything. The wines are rich and fruity enough, supple, fresh and integrated. Drinkable early, and it will develop progressively, with time. It’s a very good surprise.”

Frédéric Mugnier

### Nuits-Saint-Georges 1er Cru Clos de la Maréchale – Monopole *Domaine Jacques-Frédéric Mugnier 2022*

Clos de la Maréchale is the most southerly of the Nuits-Saint-Georges vineyards situated in Prémieux, which is itself known for the richness and generous harmony of its wines, contrasting with the rugged profile of some other Nuits. This 2022 is very deep, ruby-purple, the nose showing both red and black fruit character. Palate is well structured, with dense concentration, rich tannins and freshness, with excellent middle and superb length (2025-2038+).

## Domaine Henri Magnien, Gevrey-Chambertin

This small Domaine has extraordinary vineyard-holdings on the Côte Saint-Jacques. This is the hillside of Gevrey-Chambertin 1st Growths, above the village, which narrowly missed classification as Grands Crus, in the 1930s. Clients with long memories will recall that we shipped wines from this estate in the mid-1980s – when Henri, the grandfather of Charles Magnien, who now runs the estate, was in charge.

Since taking over the reins, Charles has been determinedly bringing it back up to the level which made his grand-father's wines exceptional. Charles makes a point of preserving and propagating the "Pinot Noir Magnien" (about which, see below). Working closely with his cooper, he has developed his own, lightly-flamed but long-time-toasted oak barrels, with the object of eliminating the vanilla or coffee aromas which may come with heavier toasting. "I search to produce fine wine, not tannic wine – wine you can drink young, and keep if you want," says Charles. He is a new star in Gevrey-Chambertin, whose wines we were the first to re-introduce to UK Burgundy-lovers. We are thrilled to offer them again.

Charles Magnien

### **Bourgogne Côte d'Or Pinot Noir**

*Domaine Henri Magnien 2022*

6x75cl 122.00

This comes from Brochon, adjoining Gevrey-Chambertin to the north. The grapes were 100% de-stemmed, and just four barrels were made. Colour is ruby-red, aromas open and attractive. This was bottled in November 2023, the palate now showing bright, youthfully chewy fruit (for drinking 2024-2026).

### **Côtes de Nuits Villages Clos F. Thurot (Monopole)**

*Domaine Henri Magnien 2022*

6x75cl 155.00

This was a new arrival in the Domaine, last year. The 45-year-old vines are located within the Queue de Hareng hillside plot which lies between Gevrey-Chambertin and Brochon. One day it may be upgraded, for this is a fine site, on similar contours to nearby First Growths. Colour is rich, purple-ruby, aromas are open, buoyant and youthful. Palate is exuberantly fruity (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Gevrey-Chambertin Vieilles Vignes**

*Domaine Henri Magnien 2022*

This comes from 8 different plots of 40- to 100-year old vines, with the vine-age averaging about 65 years. Many plots are planted with the Pinot Noir Magnien, whose existence dates from 1850, yielding grapes with thick skins, giving little juice. This was 100% de-stemmed. Colour is mid-deep, ruby-purple, aromas are open, fresh and ripe. Palate is broadly structured, with fresh fruitiness and gentle, well-balanced tannins (for drinking 2024-2030+).

6x75cl 264.00

### **Gevrey-Chambertin Champerrier**

*Domaine Henri Magnien 2022*

Champerrier is a red-soil vineyard on the northern, Brochon side of Gevrey, lying where the slope begins to soften, beneath Les Champeaux. Vine-age averages more than 60 years, giving a richly purple colour, with beautiful, ripe aromas. Palate is fleshy, with harmonious, energetic fruitiness, and a subtle touch of saltiness on the finish (for drinking 2025-2030+).

6x75cl 285.00

### **Aloxe-Corton 1er Cru La Coutière**

*Domaine Henri Magnien 2022*

This is the fifth vintage of Charles making his 1st Growth Aloxe-Corton. It took him time to get a handle on the typicity of the village, while maintaining his overall, Gevrey-influenced drive for fruit, with harmony and roundness. He has again brilliantly succeeded with this 2022, which has been ageing in 30% new barrels, of Tronçais forest origin. Colour is ruby, nose shows warm, ripe fruitiness. Palate is well-structured, with good bones and ample fleshiness, the tannins being sweet and fine (for drinking 2025-2030+).

6x75cl 295.00

### **Gevrey-Chambertin 1er Cru Les Champeaux**

*Domaine Henri Magnien 2022*

This is a very sunny spot, with vines being over 35 years of age. There is just 20-30cm depth of soil before the roots begin to penetrate the rocks. It is a cuvée where Charles Magnien has moved on from traditional punching-down of the grape-cap to using more pumping over of the juice, to flatter the wine's roundness. "Champeaux is always drinkable early, and very easy" he says. Colour is youthful ruby of medium depth, aromas are open, ample and fruity. Palate shows intense fruit, soft middle, with harmonious, well-integrated tannins (for drinking 2024-2030+).

6x75cl 408.00

case

### **Gevrey-Chambertin 1er Cru Estournelles Saint Jacques**

*Domaine Henri Magnien 2022*

“We had 120mm of rain in Gevrey-Chambertin on 22nd June 2022”, Magnien reminded us, “and the water went into people’s letter-boxes, flooding several cellars - but it saved the vintage, protecting it from dryness.” This vineyard is high on the hillside, facing due south, giving a wine which is full of energy. Breezes coming down the little valley beside these First Growths on the Côte Saint Jacques help to evaporate liquid from the berries, concentrating the juices. The vines are around 60 years old. Bright, ruby purple in colour, this has shy aromas, but they’re delicately beautiful. Palate is solid and rich from start to finish, with fresh, harmonious aftertaste (for drinking 2026-2036+).

6x75cl 462.00

### **Gevrey-Chambertin 1er Cru Lavaux Saint Jacques**

*Domaine Henri Magnien 2022*

This is the smallest individual First Growth cuvée that Charles Magnien makes from the Côte Saint Jacques. It comes from old vines which average 70 years of age. The vineyard lies downhill from Estournelles-St- Jacques, in the heart of these famous slopes. Colour is ruby-purple of medium depth, aromas are ripe and freshly chocolatey. Palate shows medium structure and was relatively closed, when tasted in November 2023, but there was dense, round fruitiness and impressively fresh aftertaste, showing great promise (for drinking 2026-2035+).

6x75cl 488.00

### **Corton Grand Cru Les Grandes Lolières**

*Domaine Henri Magnien 2022*

This is Charles Magnien’s fifth vintage of making a Grand Cru Corton. The vineyard is in the commune of Ladoix-Serrigny, facing due east, downhill from Corton Le Rognet. “Here it is a challenge to get sweet, fine tannins,” says Magnien. “You must have perfect maturity of berries and pips. So, there is no punching down with this, and we need progressive extraction, with less new oak and adapting the toasting.” The result is again magnificent. Colour is purple-ruby of medium depth, aromas are fresh, open and ripe. This is suave and pure, a densely fruity wine, with splendid richness excellent middle and fine tannins (for drinking 2027-2040+).

3x75cl 260.00

### **Gevrey-Chambertin 1er Cru Les Cazetiers**

*Domaine Henri Magnien 2022*

This is Charles Magnien’s largest Premier Cru holding, and the wine with which he most closely identifies - his parents’ home is exactly at the foot of these vines. It is the most northerly of the three Côte Saint Jacques vineyards owned by the estate. Les Cazetiers is certainly one of the most fascinating First Growths of the Côte de Nuits, and the Magnien family is understandably proud of their substantial 1.47 hectare holding. They own plots on all four of the different soil types which are to be found here, from bottom to top, where the trees begin. Rich, ruby-purple in colour, this has spectacularly complex, beautiful aromas. It is powerfully structured, with dense, concentrated fruitiness, well-rounded texture and a superb finale (for drinking 2027-2040+).

6x75cl 525.00

### **Ruchottes-Chambertin Grand Cru**

*Domaine Henri Magnien 2022*

3x75cl 565.00

Domaine Henri Magnien is the only owner with plots in both sectors of this Grand Cru, Ruchottes du dessus (white oolite subsoil), and Ruchottes du bas (Prémeaux limestone). This certainly contributes to the extraordinary richness, complexity, harmony and finesse of this wine. The average age of the vines – 45-50 years – no doubt also plays a vital part. There is never much of this - just three barrels in 2022, the colour being bright ruby, aromas being open, rich and ripe. This is completely integrated, melding balanced structure with broad, lively fruitiness, lovely, soft tannins and fantastic length (for drinking 2026-2040+).

Please note these wines are offered in bond UK (for delivery during 2024)

## Maison Laroze de Drouhin, Gevrey-Chambertin

Laroze de Drouhin is the négociant wing of Domaine Drouhin-Laroze, set up in 2008 by Caroline Drouhin. It has enabled the family to supplement their supply of grapes, increasing their range of wines and appellations. As Caroline explains: "We do not own these plots, but manage and work the vineyards with the owners, hand-harvesting ourselves, and making the wines with the same attention to detail that we bring to the wines of our Domaine". Caroline and her winemaker brother Nicolas have found it fascinating to work with new terroirs. These wines are great value, and delightful.

Caroline Drouhin-Darlot

### Bourgogne Côte d'Or Pinot Noir

*Maison Laroze de Drouhin 2022*

6x75cl 118.00

"These grapes come solely from the Côte de Nuits, from land under the Chambolle-Musigny and Morey-Saint-Denis appellations, with some Gevrey-Chambertin commune grapes," says Caroline. This is deep, purple-ruby, with freshly open, clean fruitiness on the nose. The palate gives an intensely fruity, chewy impression, lively and fresh (for drinking 2024-2026+).

### Fixin En Coton

*Maison Laroze de Drouhin 2022*

6x75cl 190.00

This came 100% from vines in the centre of the village, from a site called En Coton, which now features on the label. "As in 2021, we added in 25% whole clusters for the fermentation," said Caroline. In colour, this is ruby-purple of medium depth, with open, fine fruitiness on the nose. On the palate, there's a good rush of fruit from the start, then chewy middle, finishing smooth and lingering (for drinking 2026-2030+).

## Domaine Drouhin-Laroze, Gevrey-Chambertin

This long-established Domaine has magnificent vineyard-holdings in the northern Côte de Nuits, with many First Growths, and also no less than six of the greatest Grands Crus. The three First Growths we have chosen to list this year – Gevrey-Chambertin Craipillots, Clos Prieur and Lavaut Saint Jacques - are outstanding, and so too are Chapelle-Chambertin, Latricières-Chambertin, Clos-Vougeot, Bonnes Mares, and Chambertin Clos de Bèze. The Musigny is amazing (though our allocation is minuscule). All barrels age in perfect conditions of humidity and temperature in underground, two-storied cellars which date back to construction after Waterloo, around 1825. Many subtle improvements were introduced here as Philippe Drouhin took over from his father Bernard. Now we have witnessed a second generational change, as Philippe and his wife Christine encourage their well-qualified children Nicolas and Caroline to take over the reins. In the past, all grape-bunches were de-stemmed, but now different proportions (typically 30%) of whole clusters are added to many cuvées. From village-level offerings up to the rarest Grands Crus, these wines offer superb quality and are great value for money, across the range.

Nicolas, Philippe, Caroline and Christine Drouhin

### Gevrey-Chambertin Dix Climats

*Domaine Drouhin-Laroze 2022*

6x75cl 255.00

The Domaine owns 4 hectares of village-level Gevrey-Chambertin, from which they regularly make one of the most impressive examples of the appellation. This wine has been ageing in oak barrels previously used for one vintage. Colour is a bright, red-purple of medium depth, with fresh aromas including pepper and blackberries. Palate shows vibrant fruitiness, with smooth tannins and balanced, fresh finish (for drinking 2025-2030+).

### Morey-Saint-Denis Très Girard

*Domaine Drouhin-Laroze 2022*

6x75cl 275.00

The Très Girard vineyard is near Morey's restaurant of the same name. "We forgot to say Stop to the whole bunches, in 2017," admits Nicolas, so 90% went into that wine – which proved to be lovely. He adds: "That was an accident, now it's a tradition!" – with 50% being included in the 2022. Rich purple in colour, this shows spicy, ripe fruitiness, very appealing. The palate is plump and powerfully built, with many layers of character and fresh, long finish (for drinking 2026-2032+).

Please note these wines are offered in bond UK (for delivery during 2024)

case

### **Gevrey-Chambertin Vignes Belles**

*Domaine Drouhin-Laroze 2022*

6x75cl 330.00

A new baby at the Domaine, these six barrels come from vines downhill from 1st Growth Petite Chapelle. 30% whole clusters went into the fermentation vat, and the wine has been half ageing in new barrels. Colour is impressive deep purple, aromas are open and fresh. Palate is plump and full-bodied, gently soft, with richly rounded aftertaste (for drinking 2025-2030+).

### **Gevrey-Chambertin En Champs**

*Domaine Drouhin-Laroze 2022*

6x75cl 330.00

This comes from a 60-year-old, hillside vineyard on the north side of Gevrey-Chambertin, on sloping land below First Growth Les Champeaux. The wine fermented with 30% whole bunches. The grapes needed extra-careful sorting, as they were picked after a rain-shower, but the result is immaculate: colour is deep purple, nose is fine and bursting with fruit. Palate is full-bodied, with fine structure, gentle tannins and complete, elegant aftertaste (for drinking 2025-2030+).

### **Chambolle-Musigny**

*Domaine Drouhin-Laroze 2022*

6x75cl 425.00

More than 80% of this exceptional, village level Chambolle-Musigny in fact comes from a First Growth, the 1er Cru Les Baudes, which lies just across the road from Grand Cru Bonnes-Mares. The balance is from a vineyard called Les Véroilles, uphill of Bonnes-Mares, which is not a First Growth, but is superbly placed, producing perfumed, elegant wine. 20% whole clusters were included for fermentation, giving a richly purple wine, with fragrant aromas. Palate has broad fruitiness with creamy texture, dense roundness in mid-palate and lovely length (for drinking 2025-2032+).

### **Gevrey-Chambertin 1er Cru Craipillots**

*Domaine Drouhin-Laroze 2022*

6x75cl 425.00

This 1st Growth is made up of two really old sections, both around 50 years old. It is a flat plot of land at the top of the village, well exposed for sunshine. Rich, ruby-purple in colour, this has openly fresh, spicy fruit on the nose. Palate shows good structure, vibrant fruitiness, gentle tannins and fine length (for drinking 2025-2030+).

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Gevrey-Chambertin 1er Cru Clos Prieur**

*Domaine Drouhin-Laroze 2022*

This vineyard is planted with 30% old vines, the balance being 20-years-old. It neighbours Grand Cru Mazis-Chambertin, which is just across the Route des Grands Crus. It is always one of the most delicate and elegant of the village's First Growths. In 2022, colour is medium-deep, ruby-purple, aromas being chocolatey, with dark fruit tones. Palate shows elegance with fruit density, wrap-around flavours and a long finish (for drinking 2025-2032+).

6x75cl 455.00

### **Gevrey-Chambertin 1er Cru Lavaut Saint Jacques**

*Domaine Drouhin-Laroze 2022*

This vineyard is one of the highest Premiers Crus of the commune, and always one of the last to be harvested. The soils are thin and pebble-rich, giving wines of intense fruit, which can be dense when youthful, even initially a bit austere - but they mature superbly. For this 2022, all stems were removed before fermentation. Colour is impressive, ruby-purple, aromas being open and rich. Palate is brightly fruity, with fine intensity, powerful spiciness and impressive, fresh length (for drinking 2026-2032+).

6x75cl 525.00

### **Latricières-Chambertin Grand Cru**

*Domaine Drouhin-Laroze 2022*

Latricières-Chambertin lies directly south of Le Chambertin, producing one of the longest-living wines in all Burgundy. It is a racy wine, in the same style as the Lavaut Saint Jacques, but with another dimension of structure and fruit depth. 30% whole bunches were retained, and barrel-ageing has given a wine of mid-deep, ruby-purple colour and very fresh aromas. Palate is well built, with dense fruitiness, good freshness, gentle tannins and invigorating length (for drinking 2027-2040+).

6x75cl 845.00

### **Clos Vougeot Grand Cru**

*Domaine Drouhin-Laroze 2022*

The Domaine's Clos Vougeot holdings are superbly situated high up in the Clos, behind the Château (Plante l'Abbaye and Quartier Marey Haut), with another large parcel in mid-slope, just over the wall from Grands-Echézeaux. Old vines contribute to ensuring the concentration and length of flavour of this superb wine, whose bunches were 100% de-stemmed. Rich and deeply purple in colour, this has splendidly open fruitiness on the nose. Palate shows abundant fruit with firm structure, there is plumpness from start to finish, with well-ripened tannins to enrich the finish (for drinking 2026-2040+).

6x75cl 960.00

Please note these wines are offered in bond UK (for delivery during 2024)

£  
per  
case

### **Bonnes-Mares Grand Cru**

*Domaine Drouhin-Laroze 2022*

Drouhin-Laroze owns an impressive 1.5 hectares of Bonnes-Mares, situated at the heart of the Grand Cru - and the wine is consistently superb. In 2022, 30% of the grapes went into the fermentation vat as whole bunches, contributing aromatic complexity, intricacy of structure and silkiness of texture. "We love what whole bunches bring to Bonnes-Mares," say Caroline and Nicolas. This is ruby-purple of medium depth, with lots of character and freshness on the nose. Palate shows powerful structure, concentrated fruitiness and superb length (for drinking 2027-2045+).

6x75cl 1085.00

### **Chambertin Clos de Bèze Grand Cru**

*Domaine Drouhin-Laroze 2022*

The Domaine owns nearly 1.5 hectares here: an enviable vineyard-holding, with vines partly dating back to 1949, partly 40-years old. 30% whole bunches were included for fermentation, the colour being now ruby-purple of medium depth, with richly spiced aromas, very opulent. This shows a wonderful combination of power, dense fruitiness and elegance, with tannins which are soft and lingering, and immaculate, fresh aftertaste (for drinking 2027-2048+).

6x75cl 1150.00

### **Musigny Grand Cru**

*Domaine Drouhin-Laroze 2022*

80% of this parcel is planted with 80-year-old vines. They lie high up in the Musigny Grand Cru, close to rows belonging to Comte Georges de Vogüé, Domaine Leroy and Joseph Drouhin. Two oak barrels hold the wine, one new, one a year old, with the wine being switched between them, as it is racked off its lees. Colour is splendidly dark ruby-purple, aromas are profoundly aromatic and fresh. This is very impressive, with outstanding depth of fruit, silkiness and length - an absolutely gorgeous wine (for drinking 2026-2045+).

1x75cl 540.00
