WINE MERCHANTS

Château Les Reuilles, Bordeaux Rouge 2018

Bordeaux, France

PRODUCER

Château Les Reuilles is made by Patrick Todesco, a third-generation winemaker, at his estate in Savignac de Duras.

VINEYARDS

The property is located on the far east side of the Bordeaux region.

WINEMAKING

The grape juice is macerated and fermented in stainless steel vats with the focus being on capturing the primary fruit aromatics. Some micro-oxygenation helps to soften the tannins, stabilise the colour and to accentuate the flavours of the wine. Ageing takes place in underground concrete vats.

TASTING NOTES
