WINE LIST  
2023-2024

Our new wine list is as deliciously tempting as ever. You will find it packed with your HH&C favourites, interspersed with exciting new names from around the world.

## BORDEAUX

It is easy to overlook the tremendous value to be found in Bordeaux. Additions to our list this year include a classy Graves, Ch Beauregard-Ducasse 2019 (page 5), and a fine-boned Haut-Médoc, Ch Les Marcieux 2018 (page 6), at £13.90 and £11.25 per bottle respectively (by the case). These are two very high-quality wines at such reasonable price tags. Indeed, our full range of Bordeaux is packed with such top-level bottles.

## LOIRE VALLEY

We have introduced a superb new range from the Loire Valley this year. Les Parcelles from Domaine Réthoré Davy comes in three guises, a Pinot Noir (page 53) and two whites, a Sauvignon Blanc and a Chardonnay (page 50). They have been hugely popular over the summer months and we recommend stocking up while still available.

## SPAIN

Northern Spain makes a welcome appearance too. An intense, racy white Godello and a vibrant, juicy red Mencia, under the Gancedo label from Vinos de Altura, Bierzo. Both are 2022 vintage and are £13.15 and £15.00 per bottle respectively, when bought by the case of 6 bottles (page 75).

We would like to offer a huge thank you to all our customers. Sourcing and shipping high quality, individual, good value wines to deliver efficiently to your home is work that we feel privileged to do.

Thank you for your loyalty and support.

**CH BRANAIRE-DUCRU****4ème Cru Classé Saint-Julien 2017**

Branaire-Ducru consistently offers superb value amongst Saint-Julien's most famous châteaux, and 2017 is no exception. Cabernet Sauvignon makes up 65% of the blend, with 25% Merlot, 6.5% Petit Verdot and 4.5% Cabernet Franc. The wine is immediately fleshy and round to taste. "You don't feel the tannins," says wine-maker Jean-Dominique Videau, "and the acidity helps build the length of flavour." This wine has a seductive personality, with exceptionally expressive aromas, dense fruitiness, and long aftertaste (for drinking 2024-2038+).

<p>Ségur de Cabanac is a property we consistently love for its powerful, precise wines. Its small, 7-hectare vineyard lies on prime gravel hillsides facing the Gironde, adjoining sites belonging to some of the commune's greatest names: Calon-Ségur, Phélan-Ségur, Meyney. Bright ruby, aromas are delicately perfumed and attractive: red cherry, cassis, warm spices. Palate is full and freshly structured, having excellent concentration and poise (for drinking 2023-2026+).</p>

Les Beaumonts is the best site in Chorey-lès-Beaune, where these old vines, owned by the family and cultivated organically, are more than 80 years old. This wine's colour is richly deep, purple-ruby, with aromas which are clean and ripe, recalling violets. Palate shows medium body and striking concentration, with vivacious aftertaste and good length (for drinking 2023-2028+).				
 <b>MERCUREY ROUGE 1ER CRU LES TROIS LOUVES</b> <i>Domaine Patrick Guillot 2020</i>	6b	192.00	32.00	36.00
This cuvée comes from a plot within 1er Cru Clos des Montaigus, planted in 2001 with the little-seen Pinot Noir Clone No. 943. This produces bunches where the grapes hang loose around their stems, giving a wine of exceptional fruit, and the silkiest of tannins. Just 2 barrels were made in 2020, showing solid purple colour, fresh, yet presently discreet aromas, and sumptuous fruitiness on the palate, with gentle, creamy aftertaste (for drinking 2024-2032+).

This 1st Growth plot is on sloping land north of the village, near the road leading to Chassagne-Montrachet. Colour is rich, purple-ruby, aromas being vibrantly intense and fresh. Palate attack is impressive, with crunchy fruit, well-judged structure and refreshing tannins (for drinking 2023-2028).

These vines grow in three plots on plateau land above Volnay between the village and the hills. Planted in iron-rich, pebbly red soils they give wines of surprising fruit intensity – in our eyes, this is a “mini-Volnay.” Colour is medium-deep purple-ruby, aromas fragrant and open. Palate is tensely fruity, balanced and fresh (for drinking 2023-2026+).				
<b>PERNAND-VERGELESSES ROUGE 1ER CRU CARADEAUX</b>				
<i>Domaine Pavelot 2020</i>	b	471.00	39.25	44.25
Before global warming, this east-facing site sometimes struggled to mature its Pinots, as cool air can flow down the valley past it, which used to delay the ripening. There was no fear of that in 2020. Colour is purple-ruby of medium depth, with fine aromas, already complex. Palate has good structure, round fruitiness, fresh middle with well-ripened tannins, and a splendid finish (for drinking 2024-2032+).

It lies in the northern sector of Beaune's vineyards, not far from Les Fèves, high on the hill. Colour is ruby-purple of medium depth, aromas are fragrant and floral, palate shows dense, abundant fruit, ripe tannins with gentle grip and lovely, fresh length (for drinking 2024-2032+).

They grow on the northerly-tilted slope between the village and Le Musigny. In a sunny, extra-dry year like 2020, the grapes had no problem reaching ripe maturity. Colour is a very deep, rich purple, aromas are ripe, fresh and open. Wine-maker Franck Grux had long been wishing to make a really dynamic, red Corton, he told us, and with these grapes he has pulled off a coup. ### PERNAND-VERGELESSES ROUGE 1ER CRU LES FICHOTS

*Jean-Baptiste Boudier 2019*

The plot lies downhill from the village, on the slope beneath First Growth Les Caradeux. "Global warming is good for Les Fichots," says Boudier, "as now we can have very good maturity of the grapes, while keeping a lot of freshness, thanks to deep soils, and no hydric stress." Soils are rich in iron, with moisture-retaining clay content. Colour is rich ruby-purple, aromas being fragrant, fresh and clean. Palate is lively from the outset, with flavours intensifying as the wine is enjoyed, finishing freshly tannic and long (for drinking 2023-2030+).

The 5 hectare Clos lies on a south-facing, clay-limestone hillside, which was given a new lease of life with the arrival of the Pascal family in 2004. This 2019 has impressively deep, purple-ruby colour, with richly perfumed, fully ripened aromas of real finesse. The 2019 has a vivid purple colour, with a pretty, concentrated aroma that combines ripe black cherries and violets. There is ample, dense, juicy fleshiness, set within a fine framework. 	This tiny Premier Cru is situated just downhill from Mazis-Chambertin. Drouhin-Laroze is the only domaine to specify the vineyard, so it is rarely seen. The soil is quite deep and rich in clay, and the vines need careful management to restrict and concentrate their yield. A dry year, like 2019, suits this fertile plot, naturally restricting its yield. 25% whole clusters went into the fermentation, and the wine then aged 60% in small, new oak barrels. Colour is rich purple of medium depth, aromas recalling black cherries, with spiciness. There is a strong attack, with good concentration, lush middle and well-rounded, broadly built aftertaste (for drinking 2023-2030+).

## 2018 VINTAGE

**SAVIGNY-LÈS-BEAUNE GODEAUX***Domaine Seguin-Manuel 2018*

Godeaux is a south-west facing hillside plot of 1.6 hectares, which is farmed organically by the domaine. It gives a style of Savigny that combines lively aromatic fruitiness with velvety textures. This 2018 is a real pleasure. Star-bright, pale ruby-garnet in colour, aromas are pure and concentrated, recalling ripe, spiced strawberries. Palate is medium bodied and vivacious, being generously flavoured and creamy in texture. This is an approachable, refreshing Savigny, the finish being supple and fine (for drinking 2023-2025+).

	TThis comes 80% from a single vineyard in the centre of the village, called En Coton. 30% whole bunches went into the vat, and the wine aged 20% in new small barrels. In colour, this is red-purple of medium depth, with fine Pinot aromas, touched with spice. Palate shows medium body, bright fruitiness and fine finish (for drinking 2023-2025+).			
	<b>PERNAND-VERGELESSES ROUGE 1ER CRU ILE DES VERGELESSES</b> <i>Domaine Pavelot 2018</i>	b 489.00	40.75	45.85
	Pavelot are the second largest owners in the Ile des Vergelesses which is, for many, Pernand's greatest red vineyard. It is perfectly situated in the sweet spot at mid-slope, gently tilting towards the south, ensuring good drainage and maximum sunshine throughout the day. Medium-deep ruby-purple colour, with abundantly ripe, red and black fruit aromas, palate is richly built and broad. Texture is creamy, with gentle, refreshing tannins and splendid length (or drinking 2023-2030+).			
	<b>POMMARD LES COMBES</b> <i>Domaine Agnès Paquet 2018</i>	b 507.00	42.25	47.75
	Situating near the commune boundary with Volnay, these grapes were so healthy in 2018 that about 25% of the bunches went into the vat without de-stemming, bringing complexity and silkiness. Colour is medium purple, aromas are rich, fresh and pungent. Palate is full-bodied, with good structure, fine middle, ripe tannins and excellent finish (for drinking 2023-2028+).			
	<b>BEAUNE 1ER CRU CHAMPIMONTS</b> <i>Domaine Seguin-Manuel 2018</i>	b 552.00	46.00	51.75
	Cultivated organically, this comes from a stony, low-yielding sector of this First Growth, high up on the hillside. In colour, this 2018 is still youthful, bright ruby, having a scented aroma that is brimming with bright red fruits. Pure and ripe in the mouth, it has an intensity and depth of flavour that elevates this wine, bringing added class. There is a silky texture and ample flesh, with perfect structure and a racy, long finish (for drinking 2023-2028+).

	<b>VOSNE-ROMANEE AUX COMMUNES</b>			
	<i>Domaine Seguin-Manuel 2018</i>	b	651.00	54.25 61.00
	2018 marked the sixth vintage that Thibaut Marion had owned Vosne-Romanée vines – a rare and precious addition to his cellar. The wine was 100% de-stemmed, and aged in 25% new oak barrels. Colour is pale, ruby-purple, with sweet-smelling Pinot aromas of real charm. Palate is full-bodied, with impressive fruit density, silky texture and freshly balanced length (for drinking 2023-2028+).

	<b>VOSNE LES HAUTES-MAIZIERES</b>			
	<i>Domaine Confuron-Gindre 2018</i>	6b	372.00	62.00 69.75
	Edouard Confuron chose this vineyard to be the first in Vosne-Romanée to be vinified separately at the Domaine, from the 2017 vintage onwards. Here it yielded four barrels, with 25% whole bunches bringing freshness, salinity and complexity. The dense fruitiness and lively, long aftertaste of this wine are most appealing (for drinking 2023-2030+).			
	<b>CHAMBOLLE-MUSIGNY</b>			
	<i>Domaine Drouhin-Laroze 2018</i>	6b	375.00	62.50 70.50
	More than 80% of this exceptional, village-level Chambolle-Musigny comes from the Premier Cru Les Baudes, which lies just across the road from Grand Cru Bonnes-Mares. The balance comes from Les Véroilles, which is superbly placed, producing perfumed, elegant wine. Palate is silkily textured, with sumptuous fruit, light tannins and lovely length (for drinking 2023-2029+).

**NUITS-SAINT-GEORGES 1ER CRU CLOS DE LA MARÉCHALE (MONOPOLE)***Domaine J-F Mugnier 2018*

Many wines from Nuits Saint Georges have powerful bodies, striking structures and marked tannins. It is rare to find one with silky textures and real finesse, like this. The 9.5 hectare Clos is a monopole, owned entirely by Fred Mugnier, who makes a Nuits-St-Georges of exquisite elegance. Purple-ruby colour of medium depth, aromas are open, spicy, fresh and floral. Palate shows admirable roundness, with fleshy texture, rich tannins, and charming aftertaste (for drinking 2023-2030+).

The Premier Cru Cent Vignes is an east-facing vineyard in the northern sector of Beaune. Seguin-Manuel's vines average 40 years in age, the soils being made of brown limestone, irregularly mixed with clay and sand – classically giving a style of Beaune that has richness, elegance and liveliness. Pale ruby colour, aromas are spicy and full of well-ripened fruitiness. On the palate, this is full bodied, with supple texture and complex, savoury, red fruit flavours. Texture is silky, the finish having freshness and good length (for drinking 2023-2026+).

## WHITE BURGUNDY

### 2022 VINTAGE

#### MÂCON-CHARDONNAY

*Mallory & Benjamin, Domaine Talmard 2022*

Mallory Talmard makes a concentrated, creamy style of Mâcon, which still retains balancing freshness. With this 2022, pure, citrus-peach aromas lead to a light bodied, ripely flavoured palate. Texture is silky-smooth, the finish being bright and lively.

#### MÂCON-PRISSE

*Vignerons des Terres Secrètes 2022*

The vineyards for our Macon-Prissé contain a high content of calcareous clay, contributing to the depth and supple texture of this wine. This 2022 has a very pale lemon-green colour, aromas being lively and scented, recalling fresh peach and lemon. Palate is light and zippy, having pure, citrus flavours. There is lovely brightness of linear acidity to balance the wine's natural richness and ripeness, the finish being harmonious.

#### MÂCON-UCHIZY

*Domaine de l'Arfentière 2022*

Pre-dawn harvesting is partly to thank for the success of this 2022 Mâcon-Uchizy. "With the hot summer, we started picking at 4am, finishing each day by noon, to keep the grapes as cool as possible - and to lock in freshness," we were told by owner/wine-maker Raphael Sallet. Pale lemon-green colour, aromas are precise and lemony leading to a light bodied, lifted, mineral palate. The finish is clean, gentle and has harmonious freshness.

	<b>PETIT CHABLIS</b>			
	<i>Domaine Daniel Dampt 2022</i>	<b>b</b> 219.00	18.25	20.55
	The Dampts started planting their Petit Chablis plot just under 20 years ago. "It is near our block of Village Chablis vines" explains Vincent Dampt, "on the plateau in Fyé. There is a lot of limestone, and we needed a crusher to break the rocks, to enable the vines to be planted." This 2022 is pale lemon-gold, with attractively tight, lemon, lime and oyster shell aromas. The light bodied palate shows dancing fruit and very fine texture, finishing fresh and bone dry.

	<i>Domaine Daniel Dampt 2022</i>	<b>b</b> 237.60	19.80	22.30
		<b>m</b> 255.00	42.50	47.85
	Dampt's Village Chablis comes predominantly from old, 40-45 year-old vines that grow near the family Domaine, in the hamlet of Milly. There is no oak used here, allowing the individual character of the Chardonnay grape, grown on the chalky hillsides, to be crystal-clear. Colour is bright, pale lemon-green with very fresh, pure lemony aromas. This is a lively, intense, bright wine, with rich concentration and a crisp, long finish.

	<i>Domaine Daniel Dampt 2022</i>	<b>b</b> 330.00	27.50	30.95
	The major part of this cuvée come from Les Lys, here assembled with neighbouring Séchet and Châtain. Colour is bright, green gold, aromas being vibrant and open. Palate has intense fruitiness, with a salty finish, very appetising (for drinking 2023-2026+).

<p>The Guillemot-Michels, Marc and Pierrette, were pioneers of biodynamic winemaking in Burgundy in the 1990s. As usual, this is unoaked, allowing the wine's incredible energy and aromatic finesse to be at the fore. Colour is bright, pale lemon-gold, with pristine aromas combining fresh white peach, apricot and orange blossom. The palate is full bodied, having rich concentration, silky textures and mineral freshness in equal measure. The finish is long-lasting and satisfyingly dry (for drinking 2023-2025+).</p>

<p>Cornin's Pouilly-Fuissé impeccably combines power and elegance. 90% of this 2020 fermented and matured for 12 months in stainless steel tank, giving the wine its vivacious, pure middle fruit. The remaining 10% was made in old Hungarian oak barrels, contributing broadness of mouthfeel, delicate, spiced complexity, and creaminess of texture. Nose is lifted, recalling peaches and citrus fruits. This is a full, rich, tense mouthful, with beautiful depth and a long, mineral finish (for drinking now-2025+).</p>

**PULIGNY-MONTRACHET***Olivier Leflaive 2021*

Olivier Leflaive has unmatched access to superb grapes from across their home commune, to complement those from their own domaine. Bunches come from many different plots, some from the Meursault side, others from near the Chassagne border, and others from the heart of the village. Pale green-golden colour, with perfumed, charmingly pungent fruitiness on the nose, this has gentleness to start, then a fruit intensity which thickens in mid-palate, finishing creamily rich, vibrant and long (for drinking 2024-2030+).

Cornin's wine fermented and matured for 24 months 50% in stainless steel tanks, 50% in 600 litre oak demi-muids – this combination gives a 2020 wine that has intense perfume, elegant, sumptuous texture and vital freshness. 	<p>The Sauvignon Blanc grapes for the Rouzé family's Quincy come from the Villalin vineyard, which lies on the right bank of the River Cher. "I love this terroir," Côme Rouzé tells us. "Compared with Quincy from the left bank, where soils are more iron-rich, Villalin has more pebbles and limestone, giving a more subtle, mineral style." 2022 is a great success here, aromas being expressive, recalling greengage and fresh lime. Palate is medium bodied, fresh and tense, having attractive silkiness of texture and a fine, dry, stony finish.</p>

	<b>GIGONDAS LES FLORETS</b>			
	<i>Domaine Les Florets 2020</i>	<b>6b</b> 135.00	22.50	25.35
	The vines for this Gigondas are on north-east facing terraces that cling to the lower slopes of the Dentelles de Montmirail. Predominantly from 50-year-old Grenache, with a small percentage of Syrah, strikingly this wine has a Burgundian quality to it, such is its vitality and lightness of step. Colour is mid ruby, the nose being attractive, with pure, ripe red cherry and raspberry aromas. Freshness and lift underpin the natural richness and fullness on the palate. This has good flesh and depth, and very fine, satiny tannins (for drinking 2023–2027+).

	Muletiers comes from a single plot of 50-year-old vines, with their roots in pure granite soils. The result is a Saint-Joseph that has admirable depth and density. Intense purple colour, the aromas are rich and deep, recalling ripe black cherries, black pepper and a hint of smoky bacon. Body is luscious and full, with tightly-knit flavours, a mineral frame and a finish that is thirst quenching and long (for drinking 2023-2030+).

The nose is high-toned and alluring, boasting aromas of sweet cinnamon and floral black cherries. The high elevation of the vineyard sings through on the palate, the wine having an airy quality, lifting richly textured, concentrated fruitiness (for drinking 2023-2030+).

	Vine age is an important contributory factor in the production of high quality Châteauneuf du Pape: a great number of the Charrier's Grenache vines are centenarians. This is a fine-boned Châteauneuf style from the sandy Courthézon sector of the appellation. Having incredibly fragrant red fruit aromas, there is generous mid-palate power that builds layer upon layer in the mouth (for drinking 2023-2030+).

## VINTAGE CHAMPAGNE

### CHAMPAGNE PIERRE VAUDON GRAND CRU 2016

2016 is a stunning vintage for Pierre Vaudon, the wine displaying vibrant, complex flavours and a beautiful, creamy texture, the finish being enlivened by racy acidity. As is the norm here, Pinot Noir comprises 75% of this blend, providing generous middle-palate richness. 25% Chardonnay contributes finesse, lemony freshness and delicacy of texture – all grapes having come from prime Grand Cru vineyards. The wine aged for 5 years in the cellars in Avize, prior to disgorgement in summer 2022. Pale gold in the glass, with vivacious bubbles, aromas are incredibly attractive and youthful, recalling apricot patisserie, honeyed peach, red fruits, with a hint of toasted brioche. Full bodied and having a very fine, straight structure, texture is silky-smooth the finish being harmonious, mineral and long-flavoured (for drinking 2023-2030+).

This beautiful, unoaked, alpine Chardonnay has a vibrant freshness that enlivens the palate. It is thanks to the high percentage of chalky, dolomite limestone in the soils that this wine was given its name – 'Caliz' comes from the Latin word Calx (chalk). Pale lemon-gold colour, aromas recall lemons with hints of white peach. This is a focussed, light bodied, palate-cleansing, citrusy mouthful, having a zippy, bright finish. We particularly encourage lovers of good Chablis not to miss this.

	<p>This complexly fragrant, tightly woven 2017 Brunello spent 4 years slowly maturing in large old oak botti, contributing layers of incense and liquorice flavours as well as the most beautiful, velvety texture. Deep in colour, with intense roasted plum, spiced cherry and floral aromas, this starts full and well structured, having superb middle-palate concentration. There is excellent balance between richness and freshness, the finish being elegant and long-flavoured. A wine that will age magnificently (for drinking 2023-2032+).</p>			
	<b>BAROLO SOTTOCASTELLO DI NOVELLO</b>			
	<i>Ca` Viola 2017</i>	6b 322.50	53.75	60.50
	<p>These Nebbiolo grapes come from the steepest, top section of the Sottocastello di Novello vineyard, where they experience a wide diurnal temperature range. The result is a wine of great aromatic complexity. As is typical of Barolo, colour is pale ruby-garnet, the nose being incredibly intense and perfumed, with notes of spiced red cherries, pot pourri, prune and forest floor. This is a full, powerful mouthful, having detailed middle palate, with notable tannic charge being beautifully balanced by rich concentration (for drinking 2022-2027+).</p>

## OUR PRICING POLICY

All prices are in £ Sterling and, with the exception of In Bond prices, include VAT.

Three columns of prices are shown. The left-hand column is our wholesale price for a full, unmixed case. The middle column is the same price divided by the number of bottles in the case, to give the wholesale bottle price. The final column is our retail price, when buying single bottles or mixed cases. The prices in this list are correct at the time of going to press, but may be subject to changes. Unless otherwise indicated, a case is 12 bottles, 24 halves, 6 magnums or 3 double magnums.

## SALE OR RETURN

All sale or return orders must be to a minimum value of £300.

We accept up to 25% of an order returned to us for credit.

The returned goods must be in perfect condition (i.e. no torn labels, missing capsules etc.)

The returned goods must be of the current vintage we sell.

A credit note will be issued for the goods at the same value as the goods were invoiced.

## BUYING WINE IN BOND

Unless otherwise stated, prices are quoted per case 12x75cl 'in bond' excluding excise duty and VAT. Upon release from bonded warehouse, duty and VAT will be incurred at the prevailing rate (duty is currently £26.78 ex VAT per case of 12 bottles of wine). Any wines not delivered by our own delivery vehicles will be subject to a carriage charge. We are able to arrange under bond transfers. For transfers into Octavian accounts there is no charge, however, a charge will be incurred for transfers to accounts held at other bonded warehouses.

## WINE STORAGE

If you have a storage account at Octavian, wine purchased in bond can be transferred under bond (i.e. without paying duty and VAT) at no extra cost. If you would be interested in setting up a storage facility, we would be happy to set up an account for you at Nexus Wine Collections (at Octavian), which is safe, secure, and competitively priced. Do not hesitate to get in touch with us to discuss this.

## TERMS AND CONDITIONS OF SALE

All prices are inclusive of VAT, with the exception of in bond wines. Quotations are for cash, or for cash within 30 days from date of invoice to established credit customers, subject to availability of stock. Orders are accepted subject to prices ruling at the time – prices quoted in this list are correct at the time of going to press, in October 2021.

### TITLE

All risk in the goods purchased passes to the buyer upon delivery, the title to the goods shall only pass upon receipt of payment in full. In the event of non-payment on these terms, Haynes Hanson & Clark reserves the right to enter any premises and recover possession of the goods.

### CLAIMS

Customers are requested to examine all goods at the time of delivery. One copy of the delivery note should be signed and handed to the driver (any deficiency being noted), and one copy retained. Claims for breakage or shortage must be made by telephone to ourselves within two days of delivery. Please then confirm the claim in writing to us. Non-delivery must be notified in writing within three days of advised date of despatch. Claims for breakage, shortage or non-delivery cannot be considered unless these conditions are observed.
